# SLUT OF THE MONTH

The time has come to praise famous sluts. Hail to the conniving, gaping cunt! Long live the loose and sneaky snatch! Power to the bait-and-switch slit!

Let us pledge allegiance to an adulterous and deceitful pussy, a cheating twat named Suzen Johnson, a sleazy mantrap of the widest caliber and HUSTLER's first ever Slut of the Month.

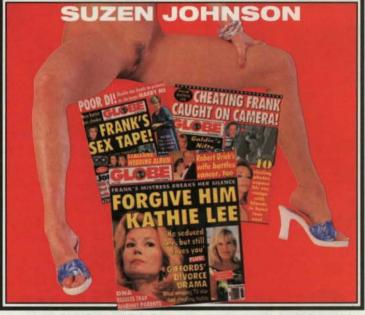

Not since John the Baptist lost his head over seven-veil Salome's Biblical strip show has a public seductress chopped a saintly male so low.

Waving her open hole like a cheesy slice of bait, 46-year-old blonde Suzen Johnson conspired with checkout tabloid *Globe* to snare all-American husband Frank Gifford in a sticky-sweet pitfall of illicit sex.

Suzen Johnson has made Monday Night Football safe for male viewers. A red-blooded gridiron fan can now look at Frank Gifford, thanks to Suzen "Slut" Johnson, without risk of barfing his pretzels and beer.

Prior to succumbing to Suzen Johnson's Slut of the Month wiles, Frank Gifford, 66, was widely loathed as America's most pussy-whipped sexagenarian. The general public was nauseated by Gifford's fawning marriage to perky tampon holder Kathie Lee Gifford, 43. Frank's balls had sired two children for dry pussy Kathie Lee, Cody, seven, and three-year-old Cassidy. Frank's testicles then lapsed into a well-publicized retirement.

Quothe Kathie Lee in her autobi-

ography, I Can't Believe I Said That, "Cheating is out of the question. Sure, Frank sees sexy flight attendants and businesswomen when he flies around the country. But the only come-on he gets anymore is, 'C'mon, Frank, show me a picture of Cody.' "

But if honest sluts, reputable tabloids and a hidden camera are to be believed, old Gifford's nuts had at least one shot of life left, and Suzen Johnson is the easy piece of ass who reared his empowered, masculine head.

Chipper, Gipperish Frank strode into suite number 521 of New York City's luxurious Regency Hotel on the afternoon of May 1, 1997. The pro-football Hall of Famer was hoping to do something a little special. Little did the pigskin legend know, he was about to become an immortal figure of male liberation.

Suzen Johnson, smarter than the amateur slut, took the precaution of checking into a room equipped with a hidden surveillance camera, preserving her tryst for posterity and profit. *Globe* reportedly paid \$75,000 for Suzen's role, a pinnacle payday in the classic slut's career progression from aerobics instructor to stewardess to "hotel consultant."

Naturally photogenic Frank exudes charisma on video even when he doesn't know the camera is running. Unconscious of being taped, Frank moves smoothly with Suzen, feeling loose enough to ask for anal sex on the first date.

"I'm very comfortable...from the moment I met you," says Frank. "My wife would probably hate you."

Too bad for Kathie Lee. If Suzen had been on the set to comfort Frank during filming of his "Growing in Love" infomercial with Kathie Lee, the ruddy stud wouldn't have been such a stiff. Then again, he might have been stiffer.

In the throes of slyly recorded passion, Suzen Johnson moaned, "Oh, God, that's so good. Oh, my, you're so big. I just knew you would be. Oh, it's so incredible."

Who could believe that these grunts of awe were being boned out of the slut by an old, tight-lipped sportscaster chained with a ten-year marriage to one of America's most vinegar-faced crones?

Credibility was strained. Lawyers for the Giffords released this statement: "The story is completely ridiculous and untrue. Upon closer examination, there will be a legal response."

Kathie Lee complained to a group of college-educated women: "We live in a cash-for-trash society where anyone, anywhere, can stand up and say anything untrue about you. The truth doesn't matter."

The facts are against her.

Sluts and tabloid journals provide a service to society: They uphold the universal truths.

Truth One: A man's brain may be smarter than his dick, but his dick concentrates harder.

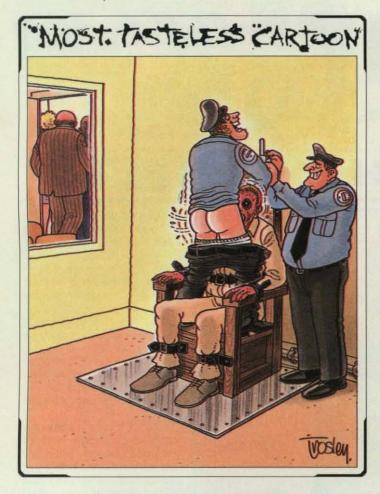

Truth Two: In a contest where slut is pitted against dry pussy, Suzen Johnson reigns supreme.

Marc Zigo: Air Force First Lieutenant Kelly Flinn, the first woman ever to pilot a B-52, was booted out of the service and very nearly put on trial with a possibility of serving many years in prison because she fucked Marc Zigo and believed his bullshit. Zigo, married to a female airman stationed to the same Minot, North Dakota, air base as Flinn,

#### Fart in the Wind

misled his piece of pilot ass, telling her he had been a professional soccer player and a Navy SEAL, leading her to believe he was a stand-up guy. If lying to get laid were a crime, no man would be free, but Zigo's travesty was to rat out Kelly Flinn to her Air Force superiors and a certain court martial, though as a civilian

he was under no real pressure to do so. Four days after squealing on Flinn, Zigo staged a girlish suicide attempt, eating sleeping pills and cramming a rag in the exhaust of his car. But he left the garage door open and used the car phone to call his wife to come and save him. Zigo lives to see another day and be an Asshole from dawn till dusk.

One from the Grin and Bare-Assed Naked file. This bushy beaver will turn any hairy-minded HUSTLER reader's frown upside down.

R. Valdes smiles all the way to the bank with \$150 for his submission. Got any old nudie pics? Send them to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

The Kennedy clan, America's first family of fornication, needs another sex scandal like JFK needs another hole in the head. Yet a sex scandal is just what happened. In April, the *Boston Globe* spilled the beans on 39-year-old Michael Kennedy and his 17-year-old baby-sitter.

According to the report, Michael's wife, Victoria, caught her husband slipping an Irish-Catholic beef injection into the legally defined child.

#### Sweet 18

A couple of weeks ago, I invited my niece, Chrissy, over. She just turned 18 this month. While I was looking for something in the garage, she was snooping in my room and found the July '97 HUSTLER. I caught her looking through it, and when she was done, she was 100% turned on. She liked four of the pieces: In Sadie: Ranch Handler, she liked the finger in the pussy and would like to see more of it. She liked the lesbians in Annie & Kris: Lust Ward, with their pussy eating and tit sucking; she wanted to see more of Rick and Kim: Bank Jobbers; but her favorite was Mindy: Wishing for a King-Size. Mindy is the prettiest shaved-pussy woman we have ever seen. Chrissy loves having sex and has always kept her own pussy shaved. She and I would also like to see more of HUSTLER'S BARELY LEGAL, with shaved girls playing with themselves. I myself keep the hairs shaved off my cock area and balls. Guys and gals -F. G. like it.

Marysville, California

By all means, ask your sophisticated and mature niece to send photos of her own BARELY LEGAL smoothie to <u>Beaver Hunt</u>. But please, for the love of God, no pictures of your hairless balls.

#### Give Me Libertines, or Give Me Death

I am an avid reader of HUSTLER, and Larry Flynt is my hero. I am also a proactive supporter for the people's right to view and possess such literature. If only the government had the insight Larry has about all categories of allegedly "illegal acts of adult pleasure." The national debt would be wiped out in a year if they would just legalize, import and support a bill that allows adults to use the amendments to the Constitution of the USA. They have put such bans on sex, drugs and rock 'n' roll that you can't even go to a Metallica concert and get a blowjob in certain states. I just reread Tim Spencer's article Sex on the Beach: Seven Days and Six Nights in Jamaica's Swinger's Par-

#### Mary, Queen of Sluts

This person is a white bride of Christ, at least until the next time she divorces me. Listed are some funny and interesting facts about my Mary. The Virgin Mary wears pajamas with feet in them. Her favorite breakfast cereal was Sugar Bears until I reminded her that, later, her pee smells like Sugar Bears again. Her favorite occupation is changing tires and oil. One can pray to Jesus, and He will supply you with enough sex to kill you. There really is such a thing as aliens. Mary runs a prostitution ring. Mary's idea of a store is where everything is a -T. J. dollar.

St. Louis, Missouri

Good news, brother T. J. What you've got there isn't the Virgin Mary, it's a cheap, crazy slut.

#### Sole Man

Thank you, thank you! Your July 1997 issue was by far the best. Why? Because almost all your beautiful babes showed their best parts: their bare feet. I loved Annie's and Kris's painted toes (Annie and Kris: Lust Ward). Best of all were Rachel: Roughing It and Mindy: Wish-

# **FEEDBACK**

ing for a King-Size. Is there any way I could get their worn socks? How I'd love to suck their toes and come all over their pretty feet. I loved seeing Rebecca (Rebecca: Belle on Wheels) finger her ass, but where's the feet? The same goes for Sadie: Ranch Handler. How about a future photo of her feet? I can't wait for HUSTLER'S LEG WORLD. I've looked at other leg magazines, but their models can't compare.

—A. C. Monticello, Kentucky

As America's cutting-edge men's magazine, HUSTLER owes it to our readers to cover the entire female body in all its splendor. For the gentleman whose interests are localized below the waist, HUSTLER'S LEG WORLD dishes out the tops in bottom halves.

#### **HUSTLER** Heals

This may seem like a strange note, but many people have things effect them in a positive way without ever acknowledging it. I'm recently divorced and have spent far too much time sitting around, lamenting the loss of my wife. Seeing the pictorial of Jackie: Mounting Art (June '97) made me realize just how many beautiful women there are in the world. I'm only 34, too young to be whining in my beer. It's time for this guy to get off the bar stool and start living life again.

—J. A.

Dedham, Massachusetts

You're an inspiration to us all. Jackie is glad to know she helped restore your lust for life.

#### **Wank You Very Much**

Always a great magazine; never a shortage of fine chicks to beat my meat on. Face it, guys, we all do it at least sometimes; so why not enjoy it? Who here hasn't shot a huge wad onto a HUSTLER layout or into their hand while in a porn stand? So my advice is to include a story each month on masturbating. As for me, my best way is outside, especially with a possibility of getting caught. A deserted parking lot is great when shared with a lovely HUSTLER layout. So, how about it? We can all benefit.

—J. O.

Jacksonville, Florida

There's a subtle but crucial difference between jerking off while reading about chicks and yanking your crank while thinking about other guys yanking theirs. And stay out of our parking lot.

#### **High Adventure**

Soloing a multi-day rock climb can be a lonely proposition. That's why I was so psyched that the fresh release of the June '97 HUSTLER with Kerri: Between a Rock and a Wet Place coincided perfectly with my solo climb of Yosemite's 3,000-foot El Capitan. I had the perfect partner: no whining with fear, no complaining about the discomforts. Our coup de grace was a perch called Chickenhead Ledge, only a day from the summit. A sweet night ensued as the Sapporo, sativa and passion flowed. Never one for drawn-out goodbyes, the next morning I simply ziplocked her up, duct-taped her to an anchor bolt and made for the summit. At least a few more climbers will appreciate the tremendous service you've done us. -M. O.

Balboa, California

We're glad we could help stiffen your resolve and ease your stay on Chicken-Choke ledge. Nonclimbing readers can still catch a great view of Kerri's snowy twin peaks from the comfort of their couches.

#### **Gray Pink?**

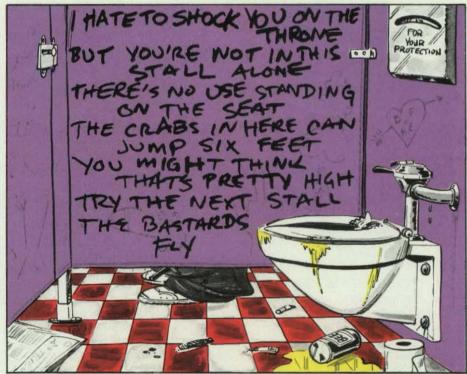

How about a magazine section for us geriatrics? Statistics indicate, and experience proves, that sexual life does not end with hysterectomy, vasectomy or menopause. I'm in my late 60s, and some of my finest encounters have been with ladies my age or ten to 20 years older. Don't knock it; you'll be old someday. Our age group is not after a quickie, but a long, loving night of mutual satisfaction, and no worries about pregnancy! For the geriatric section, I suggest you include photos of fist-fucking, big areolas, 200 pounders and Hottentot bibs. Editorial arguments would be appreciated. -E. E.

Clark Fork, Idaho

They say youth is wasted on the young, E. E., but according to <u>our</u> statistics, spring chickies are very popular among older gents. Still, we're glad to hear that old habits die hard.

# GRAFFILMY

THANKS AND \$50 GOTO RALPH TO

who've had so many men and usually do it for a lot of money make me nervous. What's the best way to approach them? Do porn actresses ever go out with regular guys? —B. R.

Miami, Florida

First of all, there's a difference between sex for money and sex for pleasure, and most porn actresses keep them separate. The best approach is simple and straightforward. Compliment them on their looks and let them know you know their work, but definitely be a down-to-earth, normal guy. Don't fawn and start drooling, or you'll scare them off.

The worst men are the would-be pros who want to prove what studs they are. Then there're the crass, tasteless guys who assume that we're just going to drop to our knees and blow them right there. We're just regular girls with exciting jobs.

#### HITTING THE SPOT

I keep reading about G spots. What are they, and how do I find it? Ridgefield Park, New Jersey

Practice, practice, practice. A G spot is an especially sensitive place inside a woman's pussy that can sometimes trigger intense orgasms and even result in

the ejaculation of fluid. Try doing your date doggie-style. That almost always works. Let your partner steer while you drive; a woman will feel if she's hitting it for sure. You'll know the G spot has been successfully contacted when she rolls over for a cigarette and a contented nap afterward.

#### TOO GOOD FOR ME

My girlfriend has a shady past, and she used to be really wild. Now she wants to settle down and have kids. I love her and all, but I still wish she'd show me that nasty side. How can I bring more of the inner slut out without being insensitive?

—R. J. Dallas, Texas

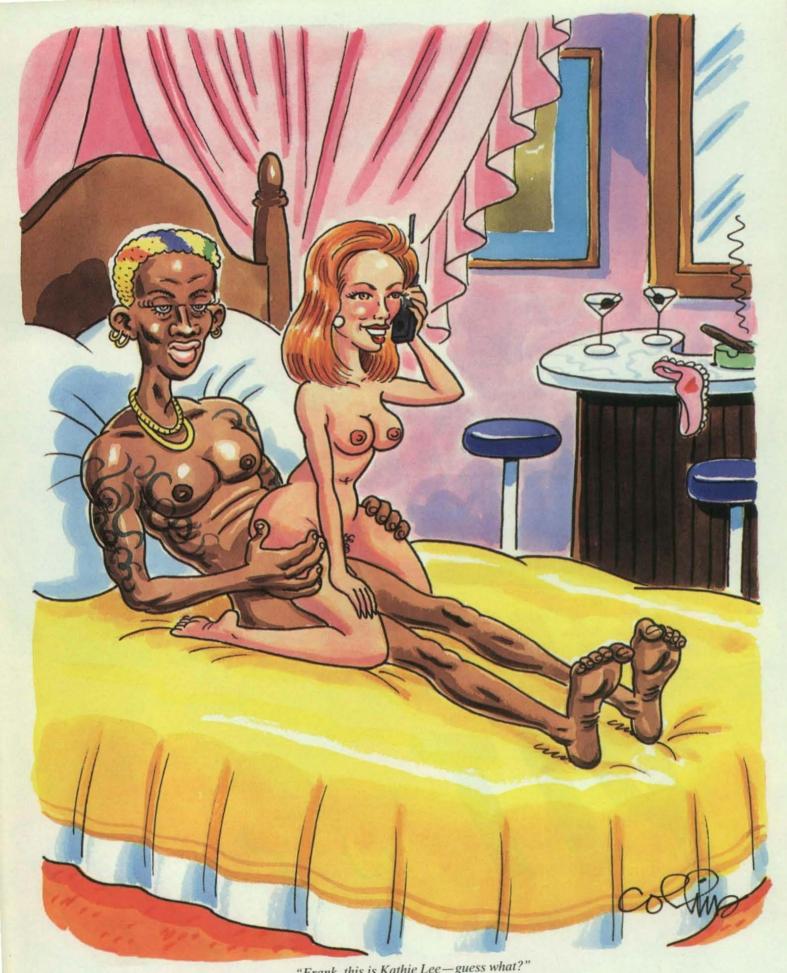

Be careful what you wish for; you just might get it. A lot of times, fantasy is better left in your head. Actually living it out is not what you imagined it would be. You might wonder where she learned some of those tricks. You might get her involved in a threeway, for example, and end up being the one who has to crash on the couch. Or you might just reopen her old emotional wounds.

Take it slow. Fantasize together by talking or watching a movie. Remind her of something she wore, said or did that turned you on. If you're in a relationship that's secure enough for you to consider getting kinky, you and your lady should also be able to discuss sexual variations without too much trouble. If you can't talk about a particular perverted act, then you probably can't do it. Remember, once you cross those lines, you can't take it back; so be damned sure the inner slut is what you want.

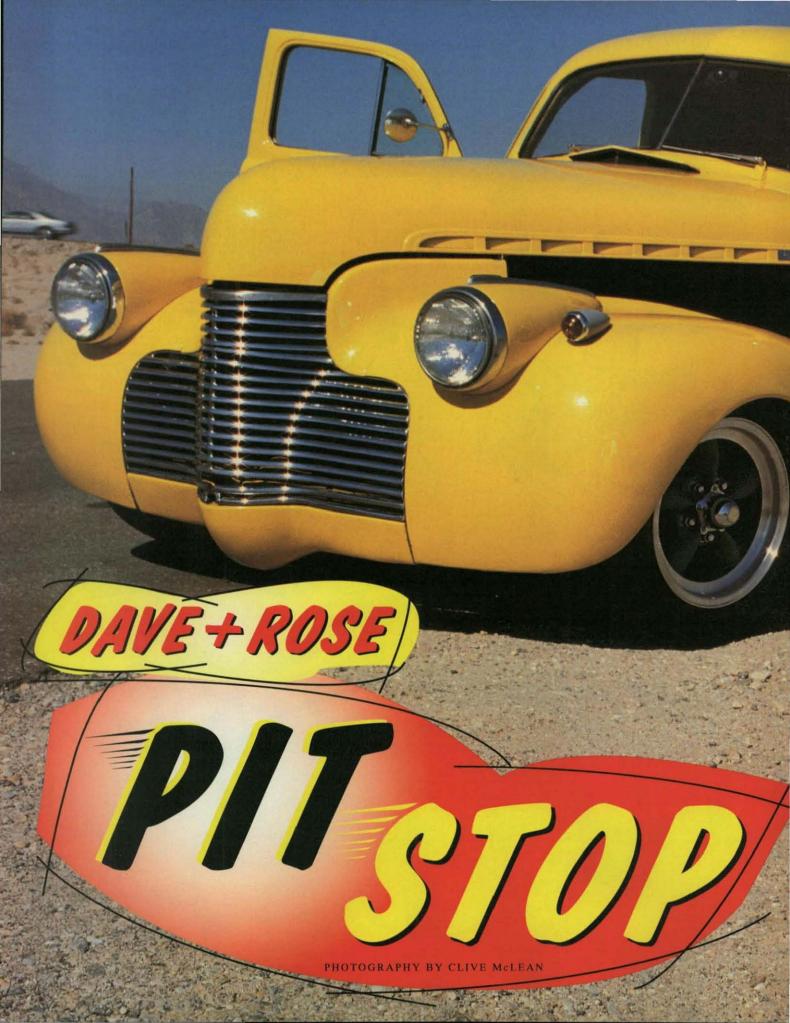

#### POSITIVE VIBES

I'm thinking about buying my wife a vibrator. Do you think that's a good idea? How should I use it on her? -P. E. Denver, Colorado

Every woman's different. Some are very clitorally oriented; even while they're being fucked, they have to play with their pussies. If you notice your wife fingering herself during sex, then a vibrator is a good idea. There are a lot of really interesting ones. I've seen everything from basic joy buzzers to state-of-(continued on page 25)

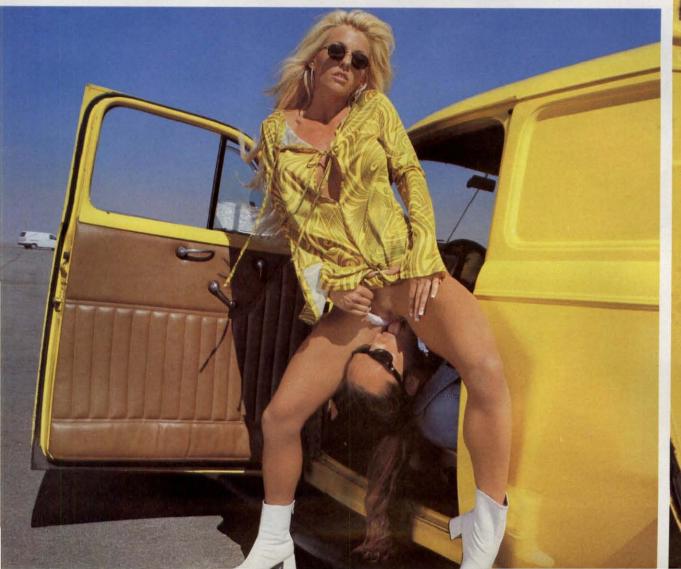

"Frank, this is Kathie Lee-guess what?"

(continued from page 14)

### Dear Slut Try hitting her up for a blowjob when you're fresh out of the shower, or take a shower together. You could even try helping your medicine go down with honey or whipped cream.

the-art contraptions that look like a bear with a rabbit ear and an anal plug with little twirling beads inside. Those are a pretty good bet. I know girls that go through five a year. You can find a wide selection in any adult porn store. If you don't feel comfortable shopping in smut shops, there's always the handheld "massager" you can pick up at the local pharmacy.

Women love surprises. On Mother's Day or her birthday, pop it out and see what happens. But don't just start experimenting on her like you were tinkering on your car's engine. Let her take her new ride for a couple of laps first. She'll know where it goes and what intensity she can handle. It's fun to mutually masturbate and watch. Then participate at her bidding.

One note of warning. Toys are fun for children of all ages, but I learned early on that vibrators can be dangerous. They're very addictive, and once you learn how to come with one of these technological wonders, it's almost impossible to make do without it. It took a lot of retraining on my part to learn how to have a nonelectronic orgasm again.

#### THE BAD SEED

My wife hates giving me oral sex, although I like giving it to her. When she does do it, which is hardly ever, she won't swallow because she says my sperm tastes terrible. What can I do? Do you think it could be my diet? -M. W. Atlanta, Georgia

There's nothing worse than a chick who either hates to give head or is just shitty at sucking dick. I can't tell you how often I've heard that complaint from guys. But the sad truth is, if your wife doesn't like it now, she's probably not ever going to develop a sudden taste for spunk.

Try hitting her up for a blowjob when you're fresh out of the shower, or take a shower together. Maybe it's a hygiene issue with her, or perhaps she was raised to think oral sex is dirty. You could even try helping your medicine go down with honey or whipped cream. But be delicate about how you approach the topic. You don't want to turn a trite humjob into an even bigger issue. Then she'll never give you any skull.

Communication is the key. Get the Mrs. to tell you why your dick in her mouth bothers her. Or if she bestows oral favors reluctantly, encourage her by letting her know what feels good. If a woman loves you, then she's going to

be turned on when you're turned on. But lousy licking is not the end of the world either; at least you're getting some pussy.

As for diet, I do believe it has an effect. Every guy's cum tastes different. Some girls swear they can tell who eats a lot of red meat. They claim vegetables make spuz really tangy. I'm not a nutritionist, but I would assume that a healthy body equals healthy bodily fluids. Peter North, Jon Dough and other high-caliber shooters do special protein shakes before their scenes. They swear it helps their load. I don't know what's in the secret concoction. There could be an endorsement deal in this for the Peter North Woody Potion.

#### GIVING IT TO HER STRAIGHT

Based on your experience, what's the best sexual position for a woman? Ann Arbor, Michigan

To start with, you have to realize that if you're fucking anything like you see in a skin flick, then you're not fucking right. We're performing for the camera's benefit, not our own. Next, get the hell off of me. I can't stand when some slob flops down on me and just lies there pumping with his hips. That's so obnoxious. It's hot, it's sweaty, and I can't see anything.

The best position is face-to-face, but with the man upright on his knees. It happens to be great for a camera shot, but in personal life, it provides an optimum angle of insertion, allows easy access for hands and mouths and offers both partners a more visually exciting experience. Also, slow it down; don't just set your equipment on high speed and go. Try whispering sweet, nasty nothings in your honey's ear. Most important of all, when you can tell that your woman's in the homestretch and heading for the orgasmic finish line, don't change course or pace on her. You could blow the whole thing; so be diligent.

#### IT'S A WONDERFUL SLICE

I've had it with my fucked-up, pathetic, useless life. Lord knows I tried to make a go of it here in San Francisco, but it seems the city folk are far too sophisticated to appreciate the subtle, graceful talents of a self-taught balloon-animal artist. I haven't sold a single wiener dog or kitty cat in the entire month I've been working the Golden Gate. The other night, as I stood at the entranceway of that rickety, godforsaken bridge, watching commuters zoom by without even offering a smile, I decided to end it all. I climbed over a weather-worn safety rail and contemplated the icy depths below. Somehow, staring at the watery expanse of ocean made me want to piss almost as much as I wanted to die; I unzipped and

If a cop sees you with your pants down, whispered a little voice inside my head, he'll drag your bare ass into jail. Good point. I zipped, buckled and got back to the matter at hand: psyching myself up for an Olympic-caliber dive and a splashy death.

Another, louder voice in my head bellowed, What the fuck? In a few minutes you're going to be dead, you pussy! You might as well piss all over the goddamn, stupid city in the meanwhile! That's the kind of logic a bitter psychotic can't argue with. Once again, I exposed my ding-dong, this time spraying a golden stream of urine into the drinking water of countless San Franciscans. All those fruits, nuts and

vegetables would probably love the added zing of my bladder juice.

I was about to peel off my last squirt when a Volkswagen screeched to a stop next to me. The beat-up Beetle was painted all manner of psychedelic colors. As if that weren't eye-catching enough, the driver's door opened to reveal a blond, curvaceous hippie chick, her halter top bursting with mammarian peace and love! She kept her eyes glued

to my cock as she ran forward, frantically waving her arms.

"Don't jump," urged the beautiful love child. "My God, what a waste!" The way she licked her delectable lips, I could tell this Haight Street hussy was more concerned about the loss of my eight-inch choad than the sanctity of human life. For a moment, enticed by the flash of a long, bare leg under her peasant skirt, I forgot all about suicide. Then I remembered the last piece of ass I knocked off-a black woman who gave me the worst case of the clap my poor johnson has ever endured. Drowning seemed like a far milder fate.

I sighed, "No offense, Blondie, but fuck off. I wish I'd never been born!"

Instead of heeding my insult, her gaze left my pork sword and stared deeply into my eyes, determined to provide me with a reason for living. A light-bulb seemed to go off over her golden tresses; the ingenious beauty guided my hand under her skirt, where my fingers found a warm, fuzzy snatch.

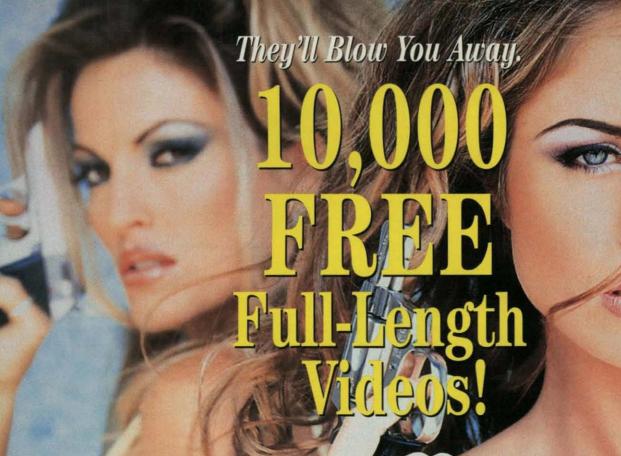

"If you had never been

born," groaned Blondie, polishing my palm with her slippery labes, "I never would have given you that blowjob in my car, after which you brutally fucked my pussy and came on my big tits."

This bitch must have smoked too much wacky weed, said the first, timid voice in my head. You never did any of those things. A lesser man might take (continued on page 39)

# **Eternal Lust**

FULLY ERECT

Directed by Jim Enright; starring Shayla La Veaux, Stacy Valentine, Alexis Dane, Missy, Caressa Savage, Felecia, Alexandra Silk, Spice, Tyler, Sid Deuce, Mickey G., Jonathan Morgan, Nick East, Jake Steed, Steve Drake, Steve Hatcher and Tony Tedeschi. Videocassette: VCA.

Eternal Lust is the type of period pieceof-ass costume drama usually maligned for being a hunk of shit, but it isn't, thanks to high levels of carnal artistry displayed by its cast members. Shayla La Veaux demonstrates her mastery of the oral arts in the opening scene, playing a silver-screen starlet auditioning in a sleazy producer's office. Fellating scumbag's prong, La Veaux's bobbing blond head applies a graceful combination of deep-throat plunges and fluttering tongue twirls to ball sack with the smooth efficiency of a blender set on a brisk frappé speed. When she plugs his joystick into her slot and strenuously grinds from the female-superior position, a sheen of fuck perspiration graces her defined, rippling back muscles. The pop-shot to La Veaux's chin is a tribute to her astonishing skill as a cocksucking slut. The ensuing anal, lesbo and DP scenes all culminate in copious splatterings of spuzz to slatternly faces and silicone-sculpted milk torpedoes. Eternal Lust will leave one-fisted critics showering themselves with warm and gloppy praise.

Extracurricular Cocksuckers Captured on Video

Are college girls easy?

One of the more bizarre amateur lines of adult videos on the market today is Joe Elliott's College Girls. Each video in the series, of which there are nearly 50, features three scenes of actual college girls (we've seen the student IDs) stripping, masturbating, blowing, screwing and sometimes being ass-fucked by an older man whose head never appears in the frame.

That man is Joe Elliott, a 51-year-old, self-described pervert who for nearly ten years has been luring campus cupcakes into his apartment and videotaping them for "documentary art videos."

How does he persuade the privileged, high-IQ honeys from his poaching ground at America's most esteemed universities to become part-time porn sluts?

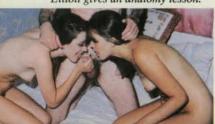

"College girls are easy to work with," explains Elliott. "They're less streetwise because they've been sheltered by the collegiate atmosphere and their parents."

Elliott advertises for "nude models" in a campus newspaper. "I meet them in a coffee shop. I tell them my documentaries are good clean fun, creative and artistic. I offer them \$200 and say I'm going to ask them questions about their social life and that I sell my tapes to 'private collectors.'

"The key is to have the camera and lights set up in my apartment, ready to go the moment they come through the door.

"As soon as they sign the model release, I ask them about their lives. I ask them to take their clothes off and

Elliott gives an anatomy lesson.

jump up and down and crawl on the floor. I ask them to touch themselves. I ask them if they mind if I touch myself, and if they will jack me off or give me head or do something else."

Asked if girls have ever complained that his art documentaries for private collectors end up being sold as raunchy amateur XXX tapes in adult magazines, Elliott is clear. "They all must sign a model release. Sometimes they read it, and sometimes they don't. That's not my problem."

Elliott believes he's doing the girls' parents a favor.

"Do you know how expensive college is today? I'm helping their parents put them through school. Parents pay for food and money and books. But I'm giving them money to party on."

Private collectors above the age of 18 may receive a catalog of Joe Elliott's art documentaries by writing to: Joe Elliott Productions, 6114 La Salle Avenue, #423, Oakland, CA 94611.

## **Undercover**

HALF

~

Directed by Teri Diver and Tom Elliott; starring Stephanie Swift, Sid Deuce, Misty Rain, Caressa Savage, Micky Lynn, Sofia Ferrari, Nikki Sinn, Kia, Tatiana, Alexxx Knight, Skyla Woods, Gina Rome, Erica Roberts, Tony Tedeschi,

Mike Horner, John Decker and Frank Towers. Videocassette: VCA.

Straddled atop choad, filmed from behind, Stephanie Swift's heavenly two-mooned ass acts as a powerful gravitational force, magnetizing the viewer's prong and the waves of spew that rumble within his balls. No porn fan who isn't snorting saltpeter will be able to hold his foam through Undercover's opening scene, which lovingly frames Swift's orbiting butt bongos as she hovers above a quaking rod. Good thing, because the fucks that follow are so poorly lit, the supporting cast of top-flight gash is difficult to discern as they engage in squandered lesbo scrums, threeways and meals of lumpy goo. Thankfully, Swift's bad moons rise again in the flick's finale, saving the balance of Undercover from a Totally Limp eclipse.

# Samantha and Company: An Orgy Beyond Belief

HALF ERECT

Directed by Paul Norman; starring Samantha Strong, Nena Cherry, Kim Kataine, Crayola Blu, Tabitha Stevens, Sweetie Pie, Kimberly Kummings, Mila, Crystal Gold, Fonda French, Shonna Lynn, Mark Davis, Vince Vouyer, Tom Byron, Rick Masters, Jack Hammer, Ron Jeremy, Paul Cox, Ian Daniels and Dick Nasty. Videocassette: Pleasure Productions.

Break out the rubber prongs and butt lube. A gang of pricks have invited a bunch of sluts to a poolside porn party. Bad lighting frequently puts a damper on the videotaped records of such events, but not so in Samantha and Company. Under the glare of Southern California sun, the party appears as a cluster of bouncing heads, spread legs, speared cunts

and gyrating jugs flopped out of bikini tops. Closer shots reveal oiled, glistening ass cheeks with cherry-red sphincters being skewered and splorked on. Nice details, such as Fonda French lapping up a puddle of wad gathered in a girlfriend's crack, are not overlooked. The partygoers retire to the living room where hostess 'hos continue to empty out the male guests' ball bags. The party in Samantha and Company isn't the most memorable affair, but it does make for an enjoyable date with your special hand.

# John Leslie's Drop Sex

Directed by John Leslie; starring Jennifer Cartier, Sandra, Monti, Angelika, Margarita, Vanessa, Maria, Sophie Call, Skyla Woods, Kimberly Jade, Mikki Malone, Jake Steed, Sean Rider, Michael J. Cox, Vince Vouyer, Roy Bridges, Mr. Marcus, Paul Coxox, Sean Michaels, Joey Silvera, Andrew Youngman, Layne Parker and Valentino. Videocassette: Evil Angel.

Drop Sex is a stream-of-consciousness filth entertainment that juxtaposes random images of violence, sex and nonsense. A mouthy mook tells a joke about a gorilla in a blond wig. A gun pops. He drops dead. A whorey blonde sashays down an alley. A hole opens in the street. Cadaverously handsome porn stud Valentino is down below, jerking off. Two alley creeps grab the blond street strumpet. One tears a slit in her red-latex bodice and assails her dripping gash while the other fucks her drooling face. Jennifer Cartier, a sneering brunette with a cunt mound puffy as mango pulp, is stalked in an abandoned factory and reamed against a pillar. Someone beats the shit out of Jake Steed. Blondes in nurse uniforms minister to his wounds with blowjobs and wet snatches. Torn stockings and tangled garters strain over Mikki Malone's twitching thighs as her butt lips toothlessly masticate Sean Michaels's dark meat sausage shoved deep in her rectum. The closing image is of bodies suspended from ropes. A lot of weirdos out there will like Drop Sex.

DROP SEX: Sandra, super-slut.

grunting, two wenches-a stringy blonde and an abused-looking brunette-cram dildos up each others' twats in the interminable beginning of Totally Depraved. Excess yellow tint in the video's color balance gives the flesh around their shaved snatches the look of uncooked chicken skin. Moron camera work keeps cutting to the flexing of Jake Steed's butt as he pummels a slut's tonsils with his prong. Someone forgot to remind the director that this is not a homo video; he begins the next scene with a pudgy dude alone on his bed, jacking off with panties in his mouth. Chloe is fucked up the ass by a plastic prong, but her reaming is not so painful as the reaming of a viewer who watches Totally Depraved all the way to its Totally Limp end. -M.A.

THE GIFT: McCullough spreads gift for Davis.

DEPRAVED: Stryder and Montana take a crack at Mila.

It's a strange coincidence that on the morning of April 17, 1997, when raunch director Pussyman stood on the deck of a 40-foot pleasure craft motoring off the coast of Catalina, shooting his nautically themed fuck film, Bone Voyage, his production manager, Al "King Tongue" Thornton, asked him if he believed in God.

"No, Al, I really don't believe in God," Pussyman replied.

There was a partying atmosphere aboard the vessel. Mila, Nina Hartley, Montana Gunn, Johnni Black, Alexandra Silk, Nick East, Mr. Marcus and Vince

Gunn, hours before her brush with death.

Hartley and Vouyer aboard the ship of fools.

Vouver were gearing up to fuck the shit out of one another on the vessel's upper and lower decks. The sun was high. The captain was, according to witnesses, drunk and fried on the Ecstasy-like hallucinogen GHB.

No one paid any attention to a thump that shivered through the bow as the boat navigated a stony reef. Later on, when the vessel began to list, some wondered if they had struck a rock.

It was hours before the boat started to sink. The nine-mile cruise back to shore might have been possible if the captain were not headed in the wrong direction. The fact that the anchor had been left dragging in the water did not speed things up either. Nor did it help that the captain steered the boat into a kelp bed and broke off the rudder.

By sundown, it dawned on the erstwhile revelers that the boat was capsizing and they might die. The situation might have been less grave if the boat had been carrying emergency flares, a raft and backup batteries for the radio. It didn't.

According to witnesses, Mila screamed, "Oh, my God! I can't swim!" and tied three life vests to her body. Montana Gunn, dressed in a skimpy vest, bikini bottom and pumps, was slipping into shock from the cold. Pussyman was nearly catapulted into the waters when the sinking craft lurched to the side. Meanwhile, the captain was, reportedly, vomiting over the rail.

A 911 call from Al Thornton's cell phone finally was picked up on land. A fire-department rescue ship arrived to find crew and soggy fuck kittens clinging in a human chain on the flooded upper deck. The boat sank within minutes of rescue.

It was then that Pussyman turned to his production manager and declared, "Al. I believe in God.

The videotapes of the fuck scenes were rescued. Expect a new, divinely inspired Pussyman video soon through Odyssey Video.

# Over the Top

HALF ERECT

Directed by Jim Enright; starring Sahara Sands, Tricia Devereaux, Papillon, Lauren Tracy, Devon, T. T. Boy, Tony Tedeschi, Peter North and David Stone. Videocassette: Wicked Pictures.

Bleach-blond Sahara Sands is a big-breasted saleswoman sleeping her way up the corporate ladder, notching her bedpost with Tony Tedeschi's ass hairs on her tongue and Peter North's spurts of testicle cream coating her chin and upper torso. Sands's competitors, T. T. Boy and Papillon, lose their promotions because T. T. can't keep his prong out of the brunette's pretty, café-au-lait quim and her wiggling keister. Sands lands the vice-president gig she's been fucking after, but not before her two softmammed assistants nab a potential client and tag-team his fat bone. Over the Top is firmly entrenched on the mediocre-porn plateau.

THREE-QUARTERS ERECT

Directed by Dow Jones: starring Kimberly Kummings, Julie Rage, Li'l Cinderella, Nena Cherry, Randi Storm, Alex Sanders, Steve Hatcher, Kyle Stone, Guy DiSilva, lan Daniels and Rick Masters. Videocassette: VCA Platinum Plus.

To the experienced XXX masturbator, this film's roster of starlets makes its hammy title superfluous. One glance at Dukes of Anal's opening credits tells the veteran hand humper exactly where this flick is headed: straight up the chicks' asses. The amphetaminic Cinderella and Randi Storm stand out from their mammoth-mammed counterparts as rapier-lean, flat-chested anal queens; but they prove just as adept as the salinated sluts at following the one-on-one suck, fuck and sodomize routine that repeats itself seven times in this predictable feature. Neither the addled whodunit script, nor the film's repetitious nature will wither the dirty duchesses' wadgenerating effects on hard-core fans of rectum-plunging action.

BLACK VIDEO VIRGINS:

ONE-QUARTER ERECT

Directed by Kris Kramski: starring Liza Harper, Houston, Tatiana, Cassidy, Jeremy Steele, Alec Metro and Michael J. Cox. Videocassette: Sin City. Shot on film.

Everything's cool in Jeremy Steele's desert shack. He's got his shotgun on the wall and his dick in his girlfriend Liza Harper's twat. His buddy, Michael J. Cox, stumbles into the bedroom. Steele offers him a beer and a humiob from his wench. Both dudes poke away at her for a while. Nobody comes. They smoke cigarettes, resume porking, spunk in her pooper and smoke more cigarettes. All hell breaks lose when Harper, a French twist with a shrill, snarly accent, bitches at the two mooks for being lazy slobs who don't give a shit about her feelings. Why should they? She never brought them the beer they asked for. Harper runs off to L.A., and after a lot of humping and cigarette smoking in bed with Alec Metro, she cranks him off on his own stomach. Back at the shack, Steele bangs a couple of agreeably dumb-looking brunettes, but fails to come on either. Lisa doesn't like cumshots, and few will like Lisa.

-M.A.

LISA: Cassidy and Tatiana press flesh with Steele.

# Black Video Virgins #2

HALF

Directed by I Didditt; starring Midori, Cash, Vanessa, Mia, Kitten, Sunnie, Jake Steed, Dave Hardman and Michael J. Cox. Videocassette: New Sensations.

Pumpernickel-brown butt cheeks, nappy quims and darkchocolate cunt lips. These are the offerings presented in Black Video Virgins. True, the dusky sluts may be as virgin as retread tires, but the ginches provide a decent grip. Cash is the G-spot squirter who opens with a juicy masturbation scene before being wienered by Dave Hardman; white devil Michael J. Cox plunders Midori's molasses mound before jacking pearls onto her chin; a gap-toothed hootchie with ivories big as piano keys wraps her smile onto a bologna-colored boff stick and glides it into her tang; Jake Steed spears a pair of slutty sisters-one with spooky, brightblue eyes. In Black Video Virgins there are no cherries to pop, but the brown-sugar bitches are sweet enough for busting a nut. -M.A.

Directed by Joey Silvera; starring Mika, Chrissy Lee, Vivien, Zazu, Kimi Ji, Susy Cat, Kristina, Meira, Delfin, Victoria, Tom Byron, T. T. Boy, Jake Steed, Vince Vouyer, Mark Davis and Joey Silvera. Videocassette: Evil Angel.

Figuring out the meaning of the title to stunt-cock-turned-lensman Joey Silvera's latest Butt Row epic isn't easy. More difficult is determining how the entire length of Mark Davis's gargantuan erection fits inside the mouth of Asiatic fuck doll Mika without popping through the back of her head. Impossible as this feat appears, the tightlipped minx repeatedly licks the pubic stubble at the base of Davis's pole as his foot-long curves down into her esophagus. Silvera's brilliantly raucous raunch masterpiece also poses other burning questions: Why can't all women be blessed with the glowing, mouthwatering pair of nature-filled knockers that graces Vivien's red-hot frame? Where did Chrissy Lee, the absolute epitome of slim, delicate Oriental beauty, find her crenshaw-size cans and big, black pussy? Is Meira more than two or three hours past the age of consent? White Men Can't Iron... confronts a wanker with a host of wonders; the answers are sticky and white and will land on his hand. -R. C.

stage settings. The gimmick's downside is the sacrifice of good camera angles to capture Alexis Dane's broad backside, Jacklyn Lick's long, sleek stems and Shayla La Veaux's bubblegum clam. The three stationary humps address this quibble by featuring two expertly shot DPs,

a hard rectal reaming of jiggly jugged Delfin and a gushing double shot of splooge plopped onto Kimi Ji's servile grin. Director James DiGorgio plays the cabdriver in Nightshift, but the flick's creative script and stiffie-inspiring sex prove he's no hack. -R. C.

#### Hot Letters I withdrew from Blondie's dugout to cap her twin peaks. Semen flew in a straight line, first shooting up her belly and then crisscrossing her boobs like frosting on a fine pastry.

advantage of her confused condition.

After sneaking a peek at the Aquarian hooters Blondie shoved in my face, however, that other voice screamed louder than ever: DON'T BE A FAGGOT! FUCK HER BRAINS OUT! No further encouragement was necessary. Besides, the increasing rigidity of my fuckstick spoke with more volume than any of my delusionary friends. I slipped a middle finger into the hippie's honeypot; she shuddered with appreciation and led me by the dick into the Volkswagen's backseat.

Even though space was limited in that tiny car, Blondie went after my pride in a big way. She spit on her hand before stroking the shaft, getting a good, lubricated groove on my groin. Next, her tongue tickled my tip; when a few drops of pre-cum oozed out, Blondie popped the entirety of my manhood down her throat, sucking voraciously. Watching that pale head of hair bob in my lap made me reconsider my death wishfor the next 11 minutes, at least. After I got a nut, it was into the drink, but I enjoyed her yanking my balls before my lethal dunk.

"Mighty fine cocksucking, miss," I huffed. "Could you please deep-throat the entire length past your tonsils?" I figured I might as well be specific about my last blowjob; what was she going to do, tell me to go jump in a lake? Pleasurably, Blondie had no pesky gag reflex to get in the way of fulfilling my request. Her whistle wetted the pubes around the base of my prick.

Blondie ejected me from her esophagus, drooling happily. Dick-drunk, she burbled, "I can still taste your piss drippings. So delicious and salty! You know, they always say sperm is salty, but really, it's more metallic.'

"That's utterly fascinating," I said while cramming my hard-on back down her windpipe. "However, it's a bit more information than I really needed. Just suck me off; later, we'll discuss the details over a nice cup of coffee." Blondie would do well to order her java black, what with the half gallon of cream that would soon flush her gullet. She must have felt that telltale twitch course through the veins of my shank, because she quickly removed her mouth and replaced it with a piping-hot pussy.

"Mmm-uhh," she gasped, straddling my angry sex. I loin-lunged and felt myself burrowed in her buttery crevice. The one, and probably only, thing I remember from college is that hippie chicks really know how to ball. It must have something

to do with walking around braless all day. In her current topless state, Blondie's floppers jiggled above me with a bounce that can only come from years of Maidenform freedom. They were a glorious pair to watch in action; even better, the nipples responded instantaneously to my touch. Blondie was burning hotter than a two-foot bong.

With a horny, naked blonde gyrating on my joint, the heartbreak of my balloon-animal training finally paid off. I could actually twist my hose inside Blondie's womb, adopting the many exotic shapes that had thrilled so many children. The sensation of stretching her poon over a contorted, snaking cock had Blondie clawing the Volkswagen's roof. I didn't know if she could take it much longer, and I didn't care; her slimy sloop felt so damn good, I intended to fuck every last nerve ending into submission.

Blondie cried, "Go deep!" I sat up straight as she leaned back, wrapping her luscious legs around me. Now I could pound into her furthest womb recesses. The Volkswagen was rocking; I was almost afraid we'd shake the Golden Gate to its very foundations. Just in case, I figured this was as good a time as any to bring Blondie off. I clubbed her cunt like a cop bashing in the skull of a Vietnam

War protester and jammed a thumb against the clit.

"Yeahhh, man," she erupted. "God! Damn! I'm! Commming!" Each thrusting exclamation was accompanied by a spasmodic clench of her vaginal muscles. Blondie rode out her terrific climax, pulling my hair and shoving her pointed tongue into my mouth. Finally, she sighed, "Don't forget, you're supposed to come on my chest.'

I replied, "How could I forget?" The throes of orgasm overtook my testes, and I withdrew from Blondie's dugout to cap her twin peaks. Semen flew in a straight line, first shooting up her belly and then crisscrossing her boobs like frosting on a fine pastry. I was pretty damn pleased with the artistry of the finished glaze, but not as impressed as Blondie; she rubbed her fingers in the sticky mess and slurped down every drop.

Blondie invited me to join her commune, where my balloon animals would be appreciated, and I could fuck her in the mud any day of the week. Instead, I went home to stick my head in the oven-which I'll probably do after I mail this letter. Who wants to live with a bunch of filthy hippies? -K. C.

#### Hot Letters "I'm not on the pill this month; so I'm afraid you'll have to put it in my ass. Is that okay?" I tried not to laugh; sometimes women say the darnedest things.

#### COP A FEEL

Police academy can be a real drag. Sure, there are good times; nobody knows how to party like us boys in blue. Unfortunately, most of our time is spent taking written tests and sweating it out on a torturous obstacle course.

The only way I can really let off steam is a trip to the local firing range. Target practice at the academy is far too restricted; they don't let you have any fun before the uptight monitor storms out and slaps your wrist. At this little Mom-and-Pop shooter, however, the monitor is a hot-to-trot brunette named Khaki. She really knows how to handle a cannon-as I learned during my most recent visit.

Khaki and I faced off on a couple of rudimentary target drills. Consistently, her accuracy was better, but that may have been affected by the tendency of my eyes to drift toward Khaki's meaty bottom. I'm not sure how she packed so much grade-A seat meat into those tight jeans; my main concern was prying her bounteous butt out from confinement. If it took the jaws of life to pull that keister onto my pole, I'd do it. Luckily, Khaki made the first move.

"You've got to know how to squeeze it," she said, referring to my trigger, but implying so much more. Khaki stepped behind me and slid her arms under mine. We joined hands and aimed the pistol together. I sensed her bubbly cunny pressing against my backside.

"Be careful where you point that thing," I leered, guiding her grasp to the Magnum in my pants. "It could be loaded."

My gambit paid off; Khaki unpeeled my pants and molested my crank with her horny hands. After quickly locking off the range so no one could interrupt our shooting and schtupping, Khaki doffed her clothes to reveal a sleek, toned body and friendly teats. Her snizz was shaved into a fuzzy landing strip that more than met regulation.

Khaki and I collapsed onto the concrete floor in a naked heap. She worked her mouth down my chest and quaffed my member while I swung around to a rug-munching 69 position. Underneath Khaki's fragrant clam, I applied tongue to her peeking, pink clitty; she shook with ravishment and swallowed hard. My love pump grew to meet the throaty challenge.

In fact, Khaki may have blown my pud a little too well. Only a few minutes had gone by, and I already felt the stirrings of a very sloppy climax. I popped my lips off her labes and insisted, "Slow down, baby. I still want to fuck this pretty pussy of yours."

"Well-I mean-oh, damn," she sputtered, and it wasn't just because my cock kept plunging back into her yob. "I'm not on the pill this month; so I'm afraid you'll have to put it in my ass. Is that okay?" I tried not to laugh; sometimes women say the darnedest things. My only response was to slather saliva over the rectum in question. Khaki got off on the assiduous rimming, clenching her butt cheeks in a promising manner. If she could move like that with my baby's arm in her bowels, this promised to be the fuck of a lifetime.

I crawled out from Khaki's sluice and lifted her bottom even higher. Facedown, she grabbed a nearby post for support and begged, "I'm ready for you. Give it to me gently." Politely, I rubbed my dick head against the crinkled entrance of her monkey hole. When Khaki had diddled her beaver into a suitably excited condition, I pushed the first inch past her sphincters.

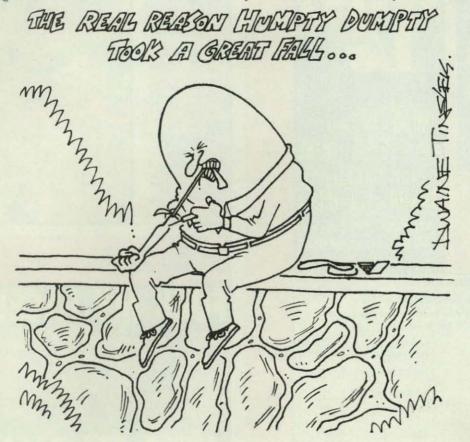

She moaned, "Eeeyesss," and backed up to engulf the entirety of my pud in her colon. I was ball-deep in her sweet butt, stroking slow and easy. Khaki kept playing with herself, reaching back now and then to give my sack a squeeze. I fucked her ass a little bit faster; the fleshy interior tangibly dilated, allowing me to explore deeper anal territory.

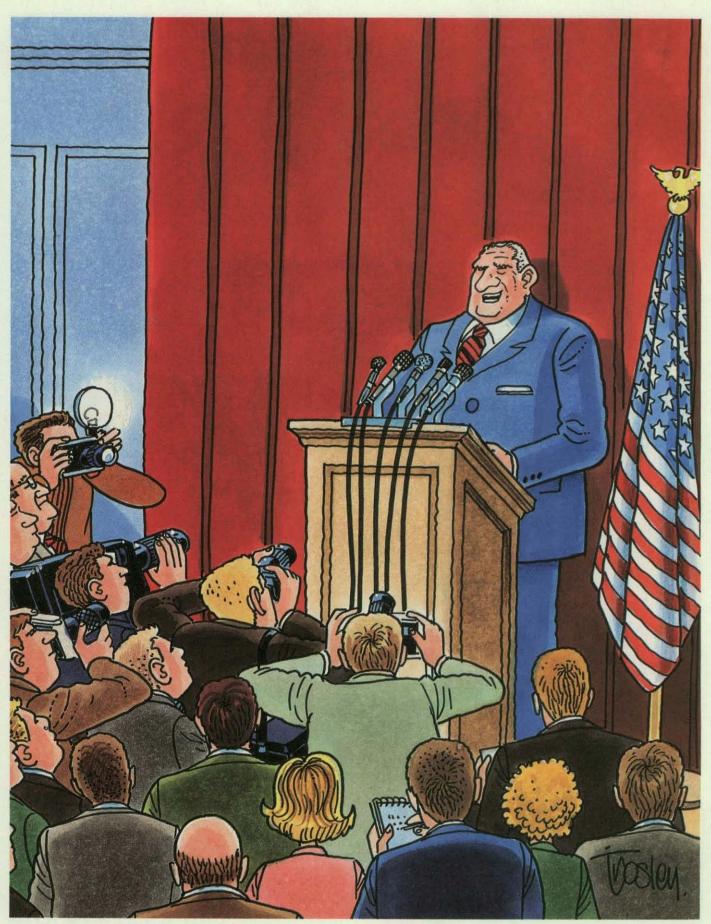

"Your asshole's hotter than hell," I grunted with admiration. My length plowed those two tender cushions. Khaki's moaning reached a feverish pitch. She was building up to one whopper of a climax beneath my powerful thrusts.

At the peak of her impassioned screaming, Khaki blurted, "Shoot now! Shoot that spunk into my ass!" Like a true soldier, I fired off a few roundsmere warning shots, really. The truly spewy deluge occurred as orgasm ripped through Khaki's bad place; her anus convulsed in pooper paroxysms, overflowing with the jizz I pumped so mercilessly.

I had a good time with Khaki, but it's hard to keep a good thing secret. Pretty soon every guy with a badge was paying visits to the little shooting range and sticking it to the brown bull's-eye. Oh, well; there's no law against being a slut. -J. M.

#### Hot Letters Every inch of my fishy canal was stuffed with hot, young cock. I grabbed Jason's hairless ass and dug in my press-on fingernails, hoping to pull his entire body into my sex.

#### TELEPHONE BALL

I was squack-dab in the middle of this incredible wet dream about being double-penetrated by O. J. Simpson and Johnnie Cochran when the phone rang. What a pisser! My quim was fairly ablaze with jungle fever, and some dumb teenager's prank call interrupted my nut.

"Hey, lady," his adolescent voice cracked through the phone line, "is your refrigerator running?" Infuriated, I left the receiver off the hook and dove under the covers. Maybe I could drift back into my slumberland sandwich with Johnnie and the Juice-if, that is, the juicy condition of my snatch didn't keep me awake with excitement.

Half an hour later, I was still awake and throbbing below the waist. Playing with myself did no good; I needed something meatier than a middle finger and a well-worn sex toy. Inspiration struck during visions of swallowing O. J.'s python while he suckled my Caucasian clitty: star 69! That's a feature recently added to my phone service. Subscribers punch in a code, thereby accessing the last caller. I dialed the magic number, careful to wipe away my briny leavings from the phone's buttons.

My pranking prick answered after five rings with a tremulous, "Who the fuck is this? It's 4 a.m.!" He sounded cute. Vage contractions engulfed the plastic rod I employed to violently gouge myself.

Between lascivious moans, I panted into the mouthpiece, "Is my vibrator running?" I swear he audibly gulped on the other end. "Wait-let me rephrase the question," I purred, ready to get fucking serious. "How old are you?"

"Uhh.... I mean, 18," gasped my teenage stud.

I pulled on a pair of black, stiletto heels and demanded, "Give me your address. I'll be over in an hour. And make sure you have two forms of identification ready; the last thing I need is another lawsuit.'

The sun was just beginning to rise as I arrived on the doorstep of Jason's crash pad. He lived with a bunch of other punk-rock kids, who were happily comatose. Jason wasn't bad-looking, except for the idiotic appearance of his pierced evelid. Far more attractive was the mind-boggling growth in his torn

I leered, "All grown-up in the shorts, I

see," and dragged him toward the messy, disgusting bedroom down the hall. Like a true gentleman, Jason pushed aside a pile of empty beer cans and stroke mags to make room for me on his decrepit mattress. As I lay on my back and stripped away my micro-skirt, I added, "Then again, staying home on a Friday night to make phony phone calls is hardly a sign of maturity.

Jason climbed on top of me with a thoughtful expression. "Gee," he puzzled, rubbing his terrifying girth against my poontang, "I guess I won't be an adult like you until I'm running around fucking little boys half my age." His massive shank slid home, nearly puncturing my womb with a searing push. My hands flurried to free my milky fun sacks

from their halter-top home.

"Just shut up and suck Mommy's teats," I cried. Jason knew just how to apply lips to nipple in the most toe-curling manner; I suppose it hadn't been that long since he had applied the same moves to his actual, biological mother. Our groins locked and bucked in a good, steady, fucking-like-there's-no-tomorrow kind of rhythm. I planned to bang this little bastard in a way that forever soured him on sweet-16 prom queens.

Every inch of my fishy canal was

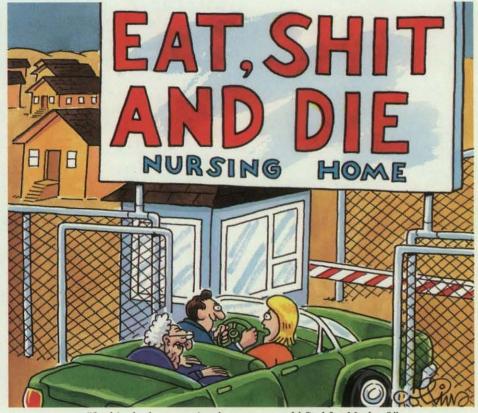

stuffed with hot, young cock. I grabbed Jason's hairless ass and dug in my presson fingernails, hoping to pull his entire body into my sex. Although he started the evening as a wiseacre, no jokes flew from Jason's studded tongue at the moment; he was too busy grunting and sweating in an orgasmic frenzy.

"Give it to me," I whispered each time his ear bounced toward my mouth. "Let your sperm squirt all over my fleshy walls. I'm not one of your backseat bimbos who gets pregnant at the drop of a load." With that, Jason twitched, yelped and exploded within my velvety confines. Spunk dripped down my thighs; the squishy, sleazy sensation finally triggered the holler I'd been waiting for since sundown.

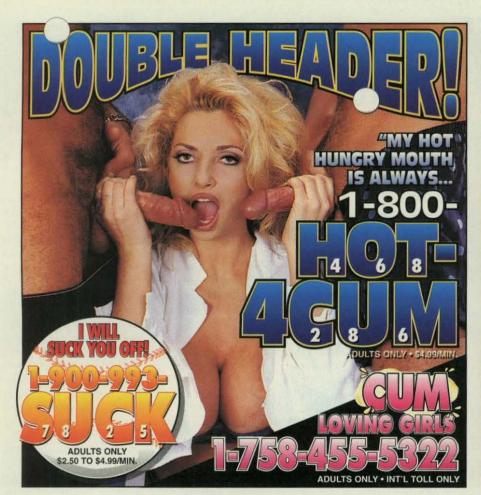

Lately, I've expanded my phone-fucking repertoire to include telemarketers and wrong numbers. I even bought a pager to avoid missing potential boink buddies. Give it a try, HUSTLER readers; reach out and touch someone's erect penis until it sprays all over your tits and down your throat. At least, that's what I like to do. -P. W.

# Scum Mopper

Down and Dirty on the Deuce
BY GUY GONZALEZ \* ILLUSTRATION BY SUPERCORN

In 1983, several years before a massive civic overhaul transformed the district into a squeaky-clean tourist trap, New York City's Times Square was a sleaze monger's nirvana, packed with sex shops, XXX theaters and peep houses. Show World, located on the corner of Eighth Avenue and 42nd Street, reigned as the domain's largest jerk house and is one of the few theaters to survive the city's cleanup efforts. The following are fragmentary excerpts from one Show World mop man's work journal during the glory days on "the Forty-Deuce.'

Inside Show World, I am introduced to an excrement heap behind a desk. A reeking flesh spore. His name is Jimmy. His smell is as nauseating as his appearance. A cigarsmoking, fat fuck with pockmarked skin and rotten teeth. I hold my breath and shake his sweaty, scumencrusted hand.

"So, ya wanna woik in da peep shows!" the manager blurts out. As he says this, a piece of what appears to be a Nedick's hotdog spits out from his lower lip and hits me right in the eyeball. I now know that Show World is where I belong.

Jimmy proceeds to school me on peep-show protocol. "Ya gotta mop dese booths and clean dat scum, or ya can't woik. It's dat simple. Ya gotta woik Christmas, New Year's, Jew days. Ain't no holidays in dis business."

Moses, a small black man who appears to relish his role as head mop, takes me under his wing, even though he's only four feet tall. "Besides makin' change for the customers, you gots to be moppin' dese booths," he counsels. "Customers be likin' a clean booth, a tidy booth, before they go and mess it up again." He pauses a moment to reflect and then continues.

"But moppin' ain't no fun unless you make tips; so you gots to hustle. Soon as dat customer leaves his

48

booth after he done doin' his thang, you shoot over there and inspect the booth—see if he done dropped his tokens while jerkin' off. I'm not talkin' no nickel-and-dime shit. I'm talkin' a whole 25 cent. Once I found a little envelope. Had half a gram of blow inside it!"

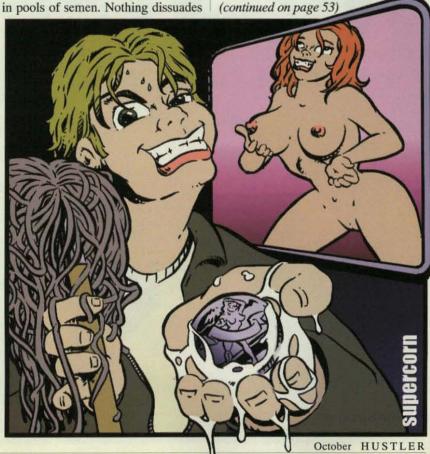

This memory sends Moses to a state of ecstasy. I notice that Moses has unusually large nostrils. A speed freak, Moses dashes from booth to booth like a Tasmanian devil. "Gots to be quick. The bosses be coming by!" The mere mention of the dreaded Mafia bosses reduces Moses to fits of paranoia, his perpetually wide eyeballs darting from side to side as he chants, "The bosses be comin' by...."

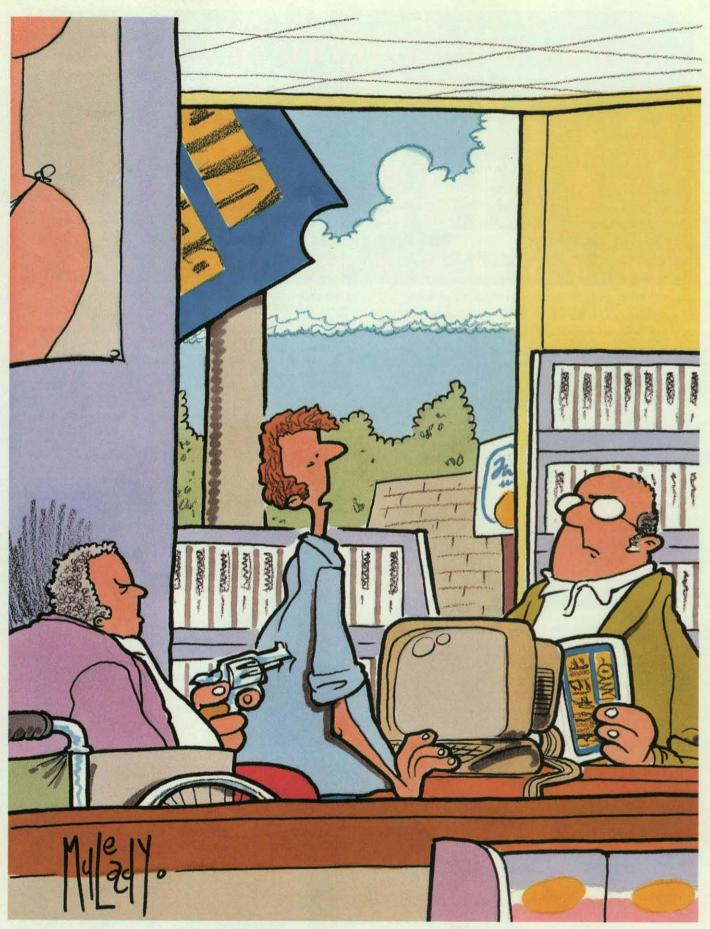

As taught by Moses, the fine art of mopping scum is a get-rich-quick scheme. I find tokens in the coin-return slots, in crevices, corners, the floor. I pick up discarded tokens lying in pools of semen. Nothing dissuades

me. The cleaning agent we use—a ridiculously high concentration of ammonia and Spanish fly—makes breathing difficult for Moses and me while we mop, but the excitement over spare change keeps us going.

My first day, I scrounge enough loose dough to eat a king-size meal at Flame Steaks and cop a nickel bag. I am finally moving up in the world. Moses, always scratching as if imaginary bugs were crawling on him, winks at me and flashes his checkerboard smile on the way to his periodic sniff breaks in the porter's closet.

Some customer behavior disturbs me. Mopping droplets of scum from the seats, floors or video screens is no problem. What really fucks me up are customers who piss or shit in the booths and rub it all over everything, including the change slots. This prevents me from removing extra tokens from the change

#### Sex Play Once, I catch an executive in a three-piece suit with his pants down, talking dirty, masturbating and sniffing blow with a butt plug up his ass.

slot, especially if there is a big, solid turd stuck in the opening. Usually, a suit-andtie executive is responsible for this kind of poop job. I deal with the situation by smoking a joint.

After several weeks, I expand my skills to include blatant shakedown attempts, barging in on unsuspecting customers.

Once, I catch an executive in a threepiece suit with his pants down, talking dirty, masturbating and sniffing blow with a butt plug up his ass. When he sees me, the guy stutters in an epileptic fit. Shaking like a leaf, he says, "C-c-close the fucking door!"

I scream back at him, "Shut the fuck up, motherfucker! I'm the scum mopper! I came to mop up the mess in this booth, and if you don't give me a \$5 tip, I'm going to mop your fucking ass!" With that, I throw open the door so everyone in the place can see the plug in his keister.

Moses speeds by and dips his head in the booth, his nostrils twitching like a freshly killed insect. "Oh, shit," he says, spying the suit with the plastic in his ass. "I think I needs a one-on-one." He zooms off to the porter's closet, and I go split the five with him so he won't snitch to the bosses.

He is dubbed the Scum Eater. With his thick glasses planted sideways on his panting, drooling head, the fat, foulsmelling vagabond makes his way up the flight of stairs to the Penthouse, where all the live-sex shows are staged. The cokefiend showgirls, always aware of any new deviant, hold their noses; the stench of the disgusting worm's rotting flesh is increasingly insufferable. While the peepshow girls are pinching what's left of their nostrils, the transvestite in booth C spells it out effeminately, "He the Scum Eater!" The other girls nod in agreement.

The wretch slimes his way over to booth F, the booth of a pre-op transsexual. Moments later the chant, "Eat it! Eat it! Eat scum!" can be heard quite clearly through the blare of the disco music pounding out of the club speakers.

I have just finished smoking a joint when the words I live to hear are called out: "I needs a mop!" yells the transsexual over the curtained door of her booth. I scurry over, mop in hand, and proceed to barge in on the customer. My jaw drops in astonishment as I encounter the Scum Eater, a repugnant behemoth licking the peep-show booth sparkling clean. Not only is he licking the interior of the booth, he is tongue-lapping the glass window, the phone and the floor, vigorously removing whatever spermy discharges previous customers have left behind. And doing a damn good job of it too.

Moses appears behind me as if on cue and proceeds to scold the Scum Eater. "Now, now," Moses says. "You can't be doing that. We gets paid to do that job."

Pepper is a sweet piece of chocolate cake with a nice, creamy filling. Working as one of the live-sex performers in the Penthouse, she always wears a platinum wig because her natural hair is an unruly disaster that makes her look like Buckwheat.

One shift I am sitting on the bathroom toilet, reading a copy of the Fantastic Four when I hear the unmistakable nasal whine of Pepper crying out my name, yelling, "Halp! Halp! Get dis nigga offa me! Halp!"

I dart out of the head like Richard Pryor on a coke run, straight to the peepalive stage where Pepper is performing. There I see a sprawled-out German, completely naked, lying on top of the hapless Pepper, her legs spread wider than 11th Avenue. Her chest is coated with a massive sperm-load expulsion, like a burst container of Dannon yogurt.

The naked German, clad only in a pair of argyle socks, seems to be lost in some kind of spellbound narcosis. His head is veering from side to side like a guard dog in a concentration camp. Suddenly, he launches into a venom-spewing verbal assault, shouting, "Achtung! Schweinhund!" And over and over again, "Schwarz!"

Pepper, incapacitated, screams, "Get da fuck offa me, you Nazi bitch!" and I leap up onto the stage and grab the German by his neck. He tries to squirm out of my grasp; so I bat him in the head with his nearby briefcase. Pepper jumps up, Kraut sperm trickling down her ebony bosom, and shouts, "Fuck 'em up! Fuck dat Nazi up!"

I kick the Deutschland motherfucker like a storm trooper, but the sick bitch appears to enjoy it. I take his clothes and his briefcase and throw them out the stage door. He follows his belongings, and I deliver one last swift kick to his Aryan asshole. Tearfully, the fuck gets dressed behind the stage and disappears into the night.

I turn to Pepper and ask how the creep made it onstage.

She shrugs. "He pay me \$100. How the fuck I'm a know he a Nazi?"

"Lori, did you read that article on anal sex? Lori?"

# FRANKENPUSSY The Genius of Beverly Hills

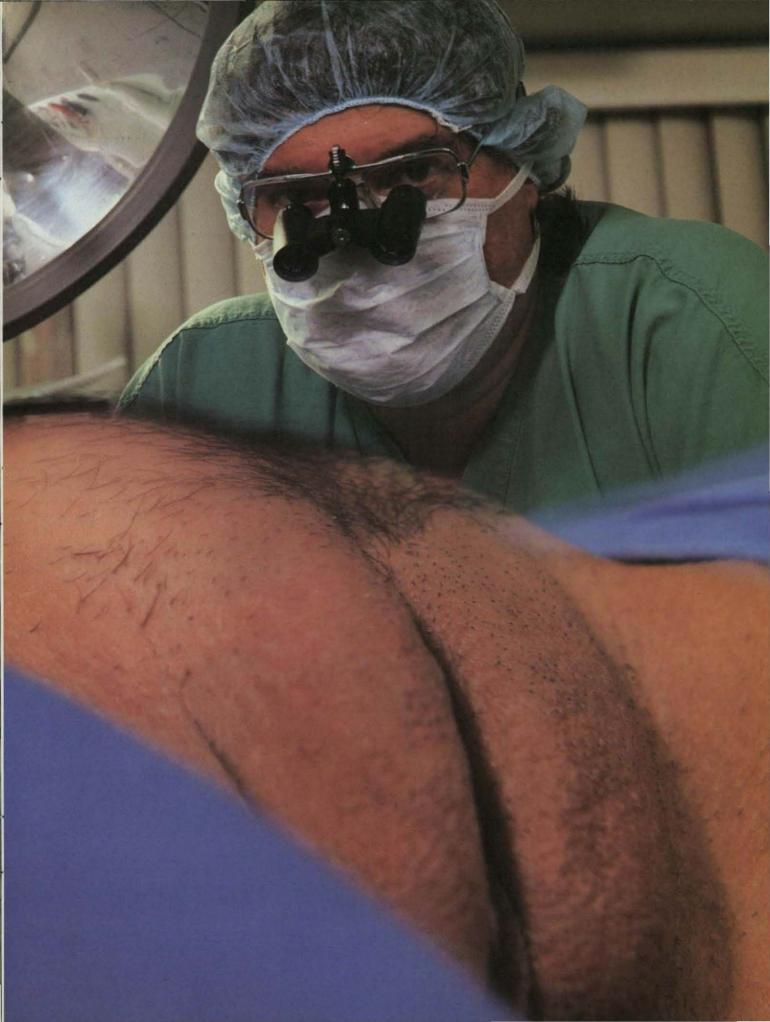

PROFILE BY PETER ARNO PHOTOGRAPHY BY LADI VON JANSKY

Worn-out, loose-lipped vaginas are seeking their savior in a Southern California plastic surgeon's .14-gauge syringe. Dr. Gary Takowsky's resuscitated pussies are pink, puffy, tight as a glove and only \$2,000 a pop. Listen to the women who have taken the plunge and now boast the perkiest quims on the block.

### Frankenpussy As a reward for being such a good customer, Dr. Takowsky offered Mindy a free crack at his latest innovation, a procedure he allegedly invented called the labial fat graft.

A 55-year-old grandmother walks into the doctor's office with the arid, gaping labia of a menopausal woman who has borne three children. Hours later, she emerges with a plump, perfect pussy, tighter and fresher than a high-school cheerleader's.

Welcome to the cutting edge of cosmetic surgery. If the motive behind tit jobs and face-lifts is to make patients more sexually attractive, then the ultimate in plastic surgery is the chance to buy better, bigger, tighter sexual organs. Dr. Gary Takowsky, plastic surgeon, artist and visionary, is crossing the genital frontier. Are the fucking masses ready to follow?

Beverly Hills, California. In his plush office, assisted by anatomically wondrous nurses and receptionists, smiling behind diamond-studded eyeglass frames, Dr. Gary Takowsky is comfortably perched atop the solid-gold heap.

More than just another tit-and-nose man, raking in millions for breast enlargements and reductions, liposuctions, ear jobs, eye tucks, cheek implants and all the other options offered by run-of-the-mill plastic surgeons, Dr. Takowsky has a higher calling. He is making medical history and pursuing a personal mission: the quest for the perfect pussy.

"Demand is growing," the doctor

announces. "Women of all ages and nationalities tell me that if they can regain a fresh, youthful vagina, it will put them a little bit further ahead of the next woman."

Mindy, a slim and seductive brunette, is a 35-year-old mother who describes herself as a "nice Jewish girl from Canada." She has the thickest file in Dr. Takowsky's office and claims he's worked on everything "except my ears and ankles."

As a reward for being such a good customer, Dr. Takowsky offered Mindy a free crack at his latest innovation, a procedure he allegedly invented called the labial fat graft. "I was getting my eyes done at the time," Mindy recalls. "He said, 'While you're here, would you mind if we did this? You've earned it.' And I said, 'Why not?'"

Takowsky claims to be the only surgeon performing labial fat grafts in the United States. By suctioning fat from elsewhere in the body and injecting it into the labia majora, the vagina's outer lips, the doctor fattens and tightens a woman's genitalia, making them, he asserts, as good as new.

"I was doing a lot of mother and daughter liposuctions," Dr. Takowsky says, remembering his moment of inspiration. "I noticed there was a difference between

[the vaginas of] the mother and the daughter. I asked myself, What are the changes? Is something atrophying? What's happening? I figured it out. The fat was the major missing component. By adding fat, I was able to make the older women's vaginas look similar to their daughters' and to how they looked when they were younger."

The first patient to undergo Takowsky's labial fat graft was overwhelmed by the results. The doctor claims that the woman was transfixed by the image of her brand-new pussy as she carefully studied its reflection in a handheld mirror. "We couldn't get her to leave," the doctor recalls. "That's when I realized I really had something here."

To date, Dr. Takowsky has performed more than 100 labial fat grafts. "[The procedure] corrects for several conditions," Dr. Takowsky reports. "Certain women suffer hypoplasia of the labia majora, a complete lack of outer lips. Other patients have a disproportion between the labia minora, the inner lips, and the labia majora. So to balance it, I add fat to the outside, making for a nice, neat package. Other women have an enlarged clitoris and don't want it to show."

Most commonly, women seek to simply repair the ravages of time and motherhood. "As a woman ages, her labia can get wrinkly and kind of messylooking. So I fill them out and rejuvenate them. Other women have gone through the destruction and changes of childbirth and want to restore their vaginas to what they were before. Then there are normal people who just want to be more sexy."

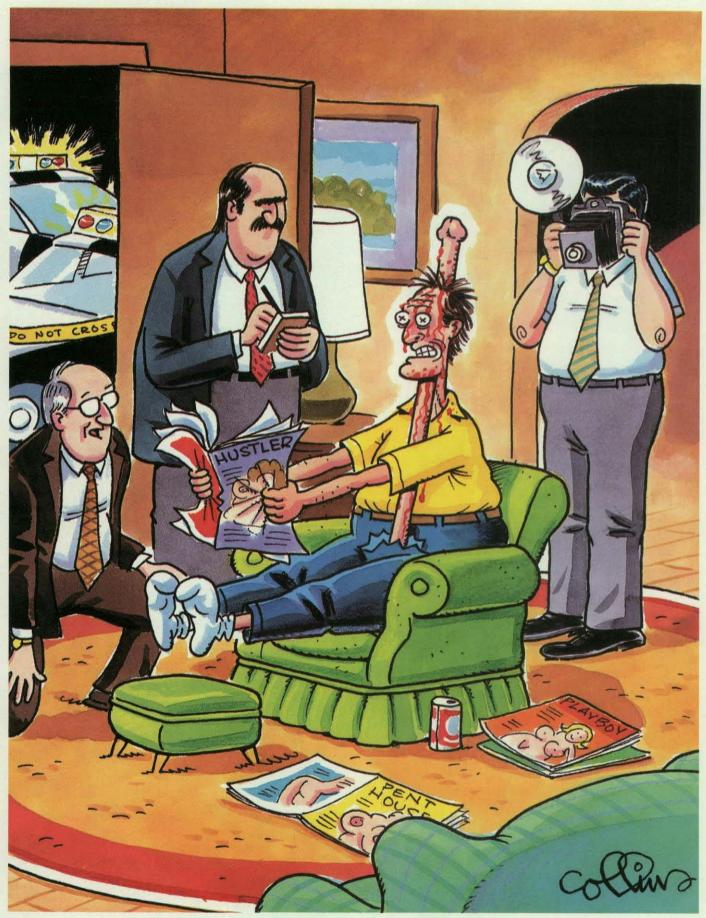

The doctor elaborates: "The women like the way it [the puffy pussy] looks in their leotards. Some women like their vaginas puffed out, and if they don't have anything to puff out, they'll cut the pubic hair short, like a crew cut, to make it look like there's something there. But if they don't have the hair to do it, and they don't have the labia, they're out of luck. Injecting fat is a real good way to puff out the look."

Dr. Takowsky claims his patients are uniformly thrilled with their results and points to his three-month-long waiting list, mostly made up of patient referrals. "These women are very happy to show off their wares to other patients. It's like a club. At parties, the women will go into another room and show off their anatomy." One man has already brought two different girlfriends to the doctor for vaginal improvements.

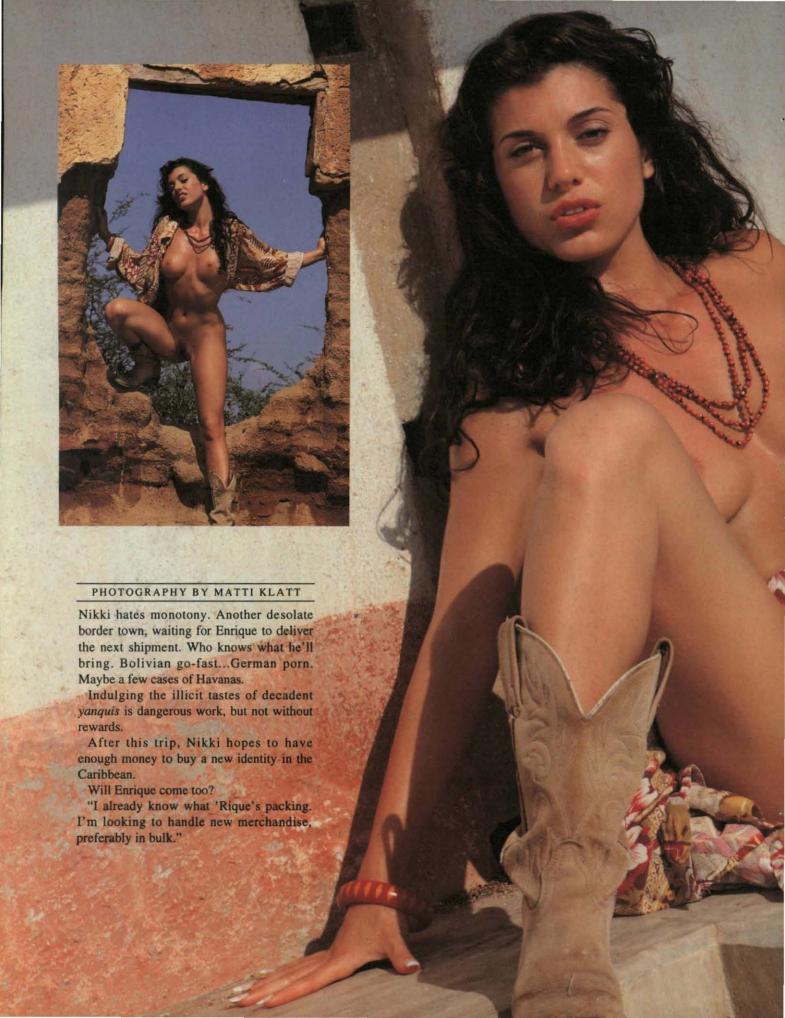

"I have never, ever done a procedure where the patients are as happy as they (continued on page 74)

are from this. They come in, they hug you, they kiss you, they tell you their stories. When a girl goes out on a date for the first time, and the guy goes down there, he says that she has the best pussy that he has ever seen in his life.

"I hear stories of how the husbands chase the women around the room and wake them up in the middle of the night. The men won't leave them alone. The women report that the men's erections are stronger than usual because it's very stimulating visually. And some women will show their vaginas more from the back, bending over so that their partner can see what they look like from behind. That really gets the men going."

Takowsky claims that the procedure actually improves the way vaginas feel. "It's good for people who want to be tighter on the inside," he explains, "because I push all the fat from the outside, and it goes into the internal lining of the vagina. As I inject new fat, I squish it into the surrounding tissue. Then I replace that external fat several times."

Mindy finds that, in her experience, the internal effects are the clincher: "Visually, it looks a little funny, like someone punched you in the vagina. It reminds me of a cow's udder. But internally, it's another story. For my partner, it was an

out-of-this-world, out-of-body experience. Your skin grabs the penis like a tight hand. It's not like being inside where a big truck parks."

Mindy's turbo pussy is so sweet, it has one unfortunate side effect. "It does make men come faster. It just feels so good for the man that he can't help it. My boyfriend used to complain that he came too fast, but God, he'd say, it was great."

The doctor's files are filled with gushing testimonials both from his female patients and the men who fuck them. "My wife's doo-dah is like it was 27 years ago,' claims one man. Women say husbands who had grown indifferent now attack every time the old lady stands still. Older women draw younger men, and fawning studs tell young pussy-enhanced women that they are ripe to appear in HUSTLER or Playboy. Some women who had considered their husbands too small are able to adjust themselves for a better fit.

Mindy swooningly describes the increased sensation provided by her reupholstered vagina. "When Dr. Takowsky was telling me it was going to feel different, I was like, Okay, okay. But then, once it happened...wow! For the woman, it's like you have a double clitoris or the world's best vibrator built in."

Mindy claims that her puffed-up plea-

sure center provided a buzz even while she was out doing errands: "When you wear tight pants, it feels great. Oh, God. The sensation is so different. It's like engorged."

Dr. Takowsky asserts that Mindy's reaction is not unusual. "Most women report an increase in the intensity and duration of their orgasm. They literally

squirt liquid out of them."

Mindy argues that a Takowsky pussy gives a woman a powerful advantage in the mating game. "You know how a guy can walk around with a certain attitude if he's got a big dick? Well, now a woman can walk around knowing she's got the best vagina. It gives you a certain confidence and an edge over other women. A guy may have been with a lot of women, and you may be the ugliest woman in the world, but if he hasn't been with a girl who's had her vagina altered, then he's never felt the sensation. I'm never worried about my boyfriend cheating, because I know that no one feels like me. There're vaginas, and there're vaginas. And then there are vaginas!"

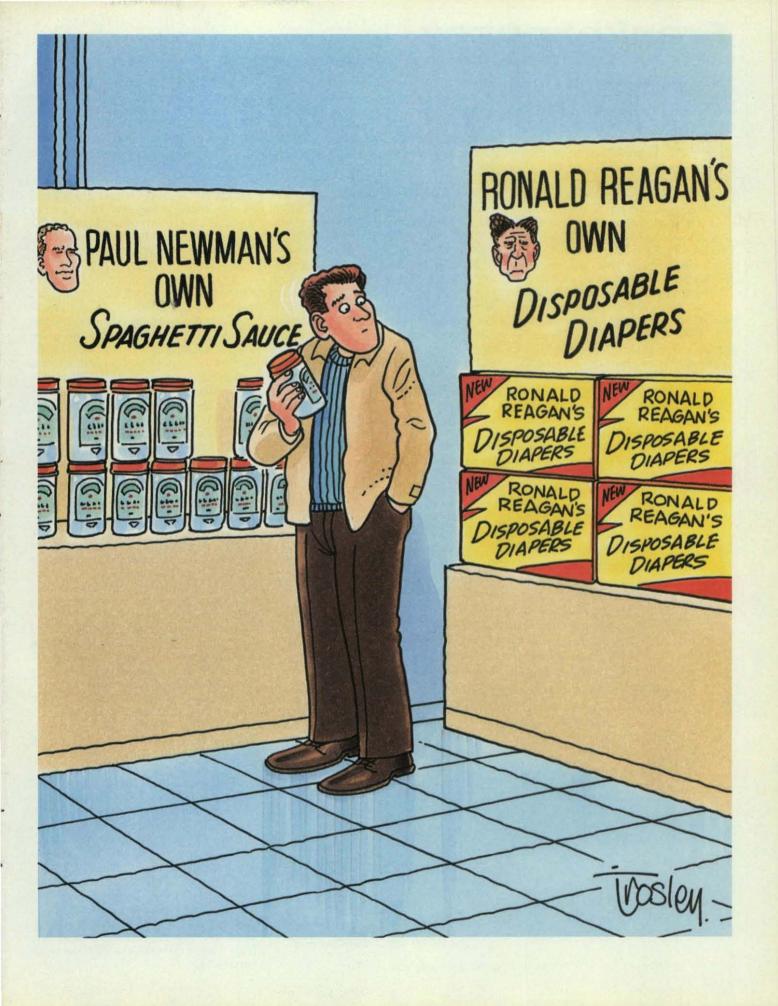

Mindy has suffered no adverse health effects. The only downside for her is that the fat eventually dissipates. "Usually, fat grafts don't last that long. I got mine nine months ago, and there's a little bit left." She would definitely do it again, although right now the \$2,000 price tag is prohibitive. "It's a luxury, like some kind of gadget you buy at a pleasure store. But this one comes attached."

Although the earning potential for a product such as a perfected pussy is enormous, Dr. Takowsky, who composes music, has issued a CD and claims to have had a publishing contract with Chrysalis, sees himself, ultimately, as an artist. "It's a purely creative type of thing," he declares, holding up a decorative wastebasket and laminated Kleenex dispenser. "Like this tissue box a lady made for me. That's why my prices are low. I don't really care about the financial aspects as much as the artistic."

Whether spending \$2,000 on a tighter pussy is a bargain or not is a relative question, but Dr. Takowsky's creative imagination is undeniable. In addition to his work with pussies, he has also developed a new nipple technique.

"I can make a nipple where there isn't any nipple," the surgeon boasts. "Because I'm taking the tissue in the exact same area, wrapping it and building out, women can actually breast-feed through the nipple that I create. And it stays erect, always. I've done about four so far. Four

different patients—so that would be eight nipples."

On a typical day of surgery, Dr. Takowsky's office hums with activity. Assisted by an anesthesiologist and a scrub nurse, he has been here since early morning and will remain until late in the night, working through back-to-back operations: breast augs, lipos and, later this evening, a labial fat graft, or "puffer."

Paula, a tall blonde in her mid-30s, is a married mother of two who works in the health-care industry. With her blue eyes, long legs and high cheekbones, she hardly fits the stereotype of an over-the-hill matron who would need, as Paula calls it, "a cooch lift." Nevertheless, she is waiting to be prepped for surgery, buying what she says will be a "surprise Father's Day gift" for her husband, who is out of town on business.

Paula describes her marital sex life as "very good, very healthy. But things change. A woman's body changes. After having kids, it doesn't ever go back. For me, this is an added little bit of spice. Part of me is hoping that it [the operation] does bring back some of that newness."

Paula is not worried about medical complications, nor is she disturbed about having such an intimate and personal aspect of herself altered. "I'm very openminded. I like to feel sexy, and I like to be appreciated by men. I want to hang on to what I have for as long as I can. It's like my girlfriend said, when the tires on your car wear out, you go buy new tires. If you can feel better about yourself and please someone else, to me it's a thumbsup. What could go wrong with this?"

According to a handful of gynecologists and plastic surgeons, all of whom were astonished by Dr. Takowsky's innovations, there are possible complications that might arise after a labial fat graft.

"You're injecting somewhat devitalized tissue that's ripe for bacterial contamination," one veteran gynecologist observes. "It's very difficult to sterilize the labial area—the many folds and pubic hair—even with shaving and careful prepping. If a patient gets infected, and their vulva necroses, which means the tissue sloughs and dies, they could end up needing a vulvectomy, where it all has to be cut off, like a cancer."

Dr. Takowsky's colleagues express frank amazement at his ingenuity. "I'm just blown away," one admits. "It's definitely possible that he's one of the good guys and he's come across something that's really going to work."

Paula is unconscious, laid out on the

operating table in a crucifixion pose. Her face is shrouded with a blue cloth, and her stomach rises and falls in time with the respirator. Her navel piercing is wrapped in gauze. Below is her soon-tobe-new-and-improved pussy, which, to the untrained eye, looks just fine as it is.

"Everything's there, together," Dr. Takowsky agrees. "It just got a little skimpy through the years for her. For anyone else it would be normal." He speculates that Paula comes from German stock. "German girls have the

best anatomy of anybody."

The surgeon has marked off Paula's thighs and the sides of her stomach. He cuts in her sideways with a scalpel, making several slits. He pushes a long needle in laterally for several inches under the skin of her thighs, and fat is sucked out into a hose. After being flushed out with saline, the gelatinous tissue is collected in a jar. Mixed with blood, the goop looks like a cherry-banana smoothie. This process is repeated on the stomach, where more pussy-puffing jello is harvested.

While these openings are stitched up, the scrub nurse loads the fat into a huge 20-cubic-centimeter syringe with a .14gauge needle. Extra cheese plops out onto the table. It looks like a chicken has

been slaughtered and skinned.

"Frog-leg her!" Dr. Takowsky orders, and Paula's legs are splayed. Aiming for the top of the labia, the doctor inserts the needle and pushes the plunger hard, visibly straining as the fat squirms in. A loud squelching completes the injection. The doctor uses his fingers to sculpt the tissue, squeezing the fat down into the vaginal vault. After a few repetitions, Paula's lips swell to several times their previous size.

"I don't know about you," Takowsky says, "but that looks pretty good to me."

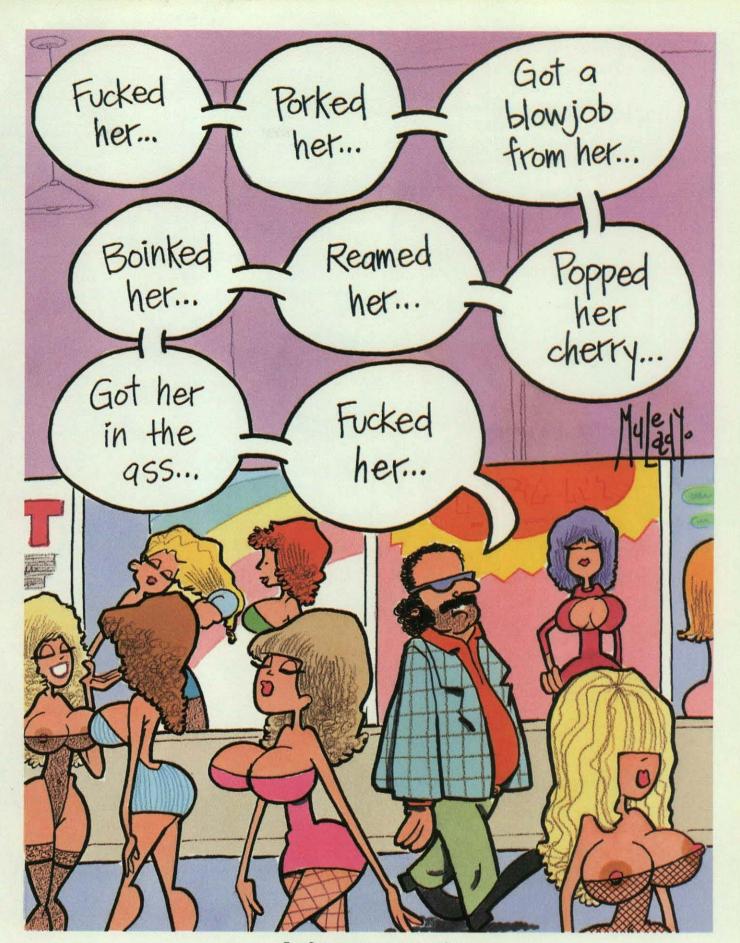

On closer inspection, it turns out that Paula is lopsided, her right labium nearly an inch bigger than her left. The doctor injects more fat, declaring, "I'm not going to let this go without perfection."

Two weeks later, Paula is healed and happy, though her reaction is the opposite of Mindy's. She claims that the difference in physical sensation is minimal, but that her pussy looks great—"Like it did when I was 18." She has recommended the operation to several friends.

"Is this going to become a mainstream procedure?" wonders one colleague of Dr. Takowsky's. "The real test is going to be after tens of thousands have been done, and true statistics can be assessed. That's when the final word will come out on this."

A penguin was driving through the desert when his car broke down. He waddled to the nearest phone to call AAA. His car was quickly towed to the nearest garage. The mechanic told him he would need a couple of hours to check out the car.

The good-natured penguin didn't complain and wandered off to the closest supermarket. He proceeded to the frozen-foods section and hung out near the fish sticks.

After an hour, he was hot and hungry; so he climbed into the freezer next to the vanilla ice cream and messily devoured several gallons. Then, noticing the time, he hurried back to the garage.

Upon seeing him, the mechanic shook his head, saying, "It looks like you blew a seal."

The penguin said, "Don't worry. It's just ice cream."

Chad had been sitting for hours in the worst traffic jam he'd ever encountered in Southern California. Finally, he saw a cop approaching.

Chad rolled down his window and asked, "Officer, what's the problem?"

Shaking his head, the cop said, "You're not gonna believe this. O. J. Simpson is sitting in the middle of the freeway. The Goldman family has taken every dime he owns; they've chased him out of house and home. O. J. says if he can't raise enough money for a motel tonight, he's gonna douse himself with gasoline and set himself on fire. So I've been walking through traffic, asking people for donations."

Surprised, Chad asked, "And people are helping out?"
"Oh, yeah," said the cop. "I've got six gallons here

"What's wrong with him?" inquired one student.

The First Lady replied, "He has Seminal Buildup Disorder; if he doesn't reach orgasm 20 to 30 times a day, he will fall into a coma."

They moved on to the next observation booth and found a man alone in a small room, jerking off furiously.

"What's his problem?" asked another student.

Hillary answered, "Oh, the same thing, but this man is in an HMO."

Question: What do women and twisters have in common?

Answer: They scream when they come and take everything when they leave.

A man was juicing in a bar one night when a bum with a ferret walked in and sat next to him.

"Do you want to buy this ferret for \$50?" asked the transient.

"Why would I want a fuckin' ferret?" barked the man.

"Because," answered the bum, "this ferret gives the best blowjobs you ever had. I'll let you try it out first."

The man agreed and took the animal into the men's room. The ferret unzipped the guy's fly and gave him the best blowjob he'd ever had. Satisfied, the man returned to the bar, paid the bum and left for home.

His wife started to give him grief as soon as he walked through the door. He reached into his bag and pulled out the ferret.

"Before you go any further, I want to show you what I just bought for \$50," said the man.

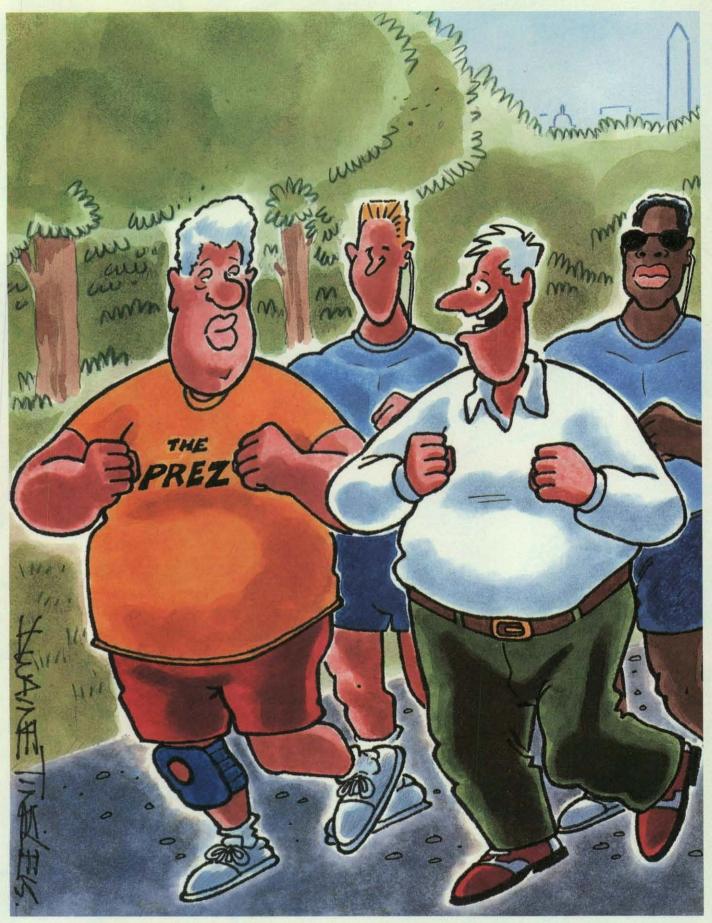

"Why the hell did you do that?" asked the wife.

"Because this rodent gives the best head I've ever had," answered the man.

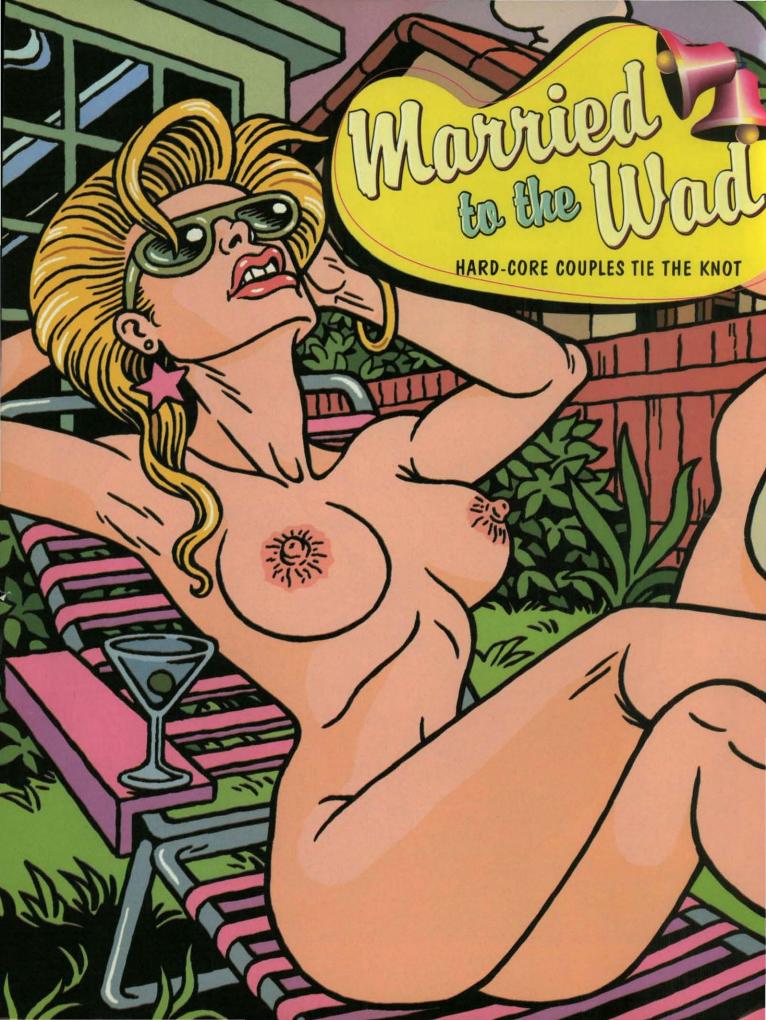

"That's great, you stupid bastard. What about me?" yelled the wife.

"You, my dear," he answered, "can teach my ferret to cook and then fuck off."

## Marriage The decision to exchange vows with a person who fucks and gets fucked by multiple partners for a living may seem shaky. Smut folk don't see it that way.

Picking out Sterling Studios among the countless industrial warehouses in the San Fernando Valley isn't easy. Once inside the nondescript, concrete bunker, a telltale buffet of withered fruits and bargain snack cakes announces the presence of a porn-film crew.

"Fuh-uhh-uck," goes a grunt, audible behind a heavy, steel door—a door adorned with a handwritten sign that reads QUIET. Whoever's getting fuh-uhh-ucked on the other side shows no sign of shushing; her breathing gives way to constant, hoarse groans that seem to emanate from an animal recess of the human brain.

When the door swings open, it allows an unfettered view of Missy, a small, pretty blonde, bent over a chair. The leathery manhood of an aging bluescreen stud plumbs her pussy again and again, finally withdrawing and aiming at her open mouth.

As sperm splatters over his wife's lips and tongue, the kneeling woman's husband walks in. This is no scripted portrayal. This is Mickey G., the man Missy wed in a Las Vegas ceremony nearly three years ago, with her dog running loose in the tiny chapel. This is the man she claims she would do anything for, maybe even die.

The husband stops in his tracks and surveys the situation. He sees his wife and the wheezing, reddish hunk who just ejaculated upon her face. "It's quite an experience hearing Missy get fucked," he whispers, "live and in person."

Missy greets her spouse with a timid, "Was that good enough?"

The illusions of pornography survive in an age when every foundation of society—from religion to government to professional wrestling—has been exposed as a faithless sham. There is an imperishable romance to the idea that at any given moment, a dental assistant with D-cup breasts will interrupt a root canal to mount her patient. There's an inescapably pornographic reality to the Yogi Berra logic displayed by *Lesbian Connection #4* star Jill Kelly: "When I get fucked on camera, I really get fucked."

The beautiful, platinum-haired Kelly is one of a growing number within the adult industry who has joined a fellow jizz-biz celebrity for the plunge into holy matrimony.

The phenomenon of porn marriage is not new; *Deep Throat*, the 1972 cocksucking classic responsible for bringing big bucks to filmic sleaze, featured a hard-core couple at its nucleus—blowjob

queen Linda Lovelace and her husband and manager, Chuck Traynor. Their marriage lasted a few years and inspired enough abusive anecdotes for Linda to fill two best-selling volumes of alleged nonfiction, *Ordeal* and *Out of Bondage*. Chuck went on to wed Marilyn Chambers, star of *Behind the Green Door*. The partnership spawned Marilyn's most popular title, *Insatiable*.

The Chambers-Traynor union of business-minded bliss is a model for the new school of hard-core couples, including Jenna Jameson and Brad Armstrong; Kobe Tai and Mark Davis; Taylor Hayes and Seymore Butts; Nikki Tyler and Bobby Vitale; Roxanne Hall and John Decker; Rayveness and Red Bone; and Rocco Siffredi and Rosa Carraciolo, who recently whelped Rocco Junior.

The decision to exchange vows with a person who fucks and gets fucked by multiple partners for a living may seem shaky. Smut folk don't see it that way—just as they don't see anything unusual about neglecting to stop by 7-Eleven for condoms en route to yet another anal gangbang. "We're still careful about each other's feelings," says Mickey G., pointing out that Missy had only performed with "about 16" other men. "Missy and I won't do anything for money that we wouldn't do for free in private."

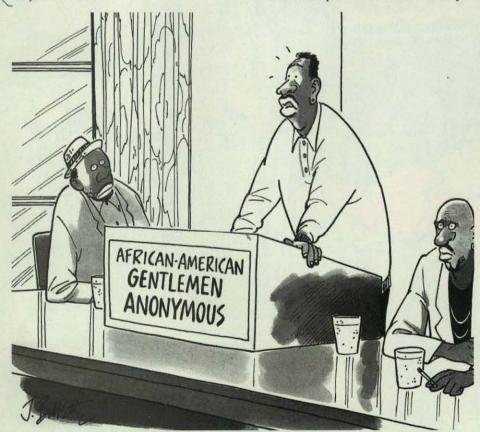

A cross section of hard-core marrieds interrogated by HUSTLER suggests the XXX couples are of a piece. They live by an impenetrable, intensely personal set of rules defining the limits of fidelity. They own spacious homes, yet little in the way of furniture. They want to retire from performing and "get into production." The men pontificate—about sex, the industry and, above all, themselves—while the women smile, occasionally finishing hubby's sentences.

In May, Missy and Mickey G. appeared on an episode of *Jerry Springer*, facing audience members who did not appreciate their interpretation of love, cherish and obey. The spotlight left Mickey cold.

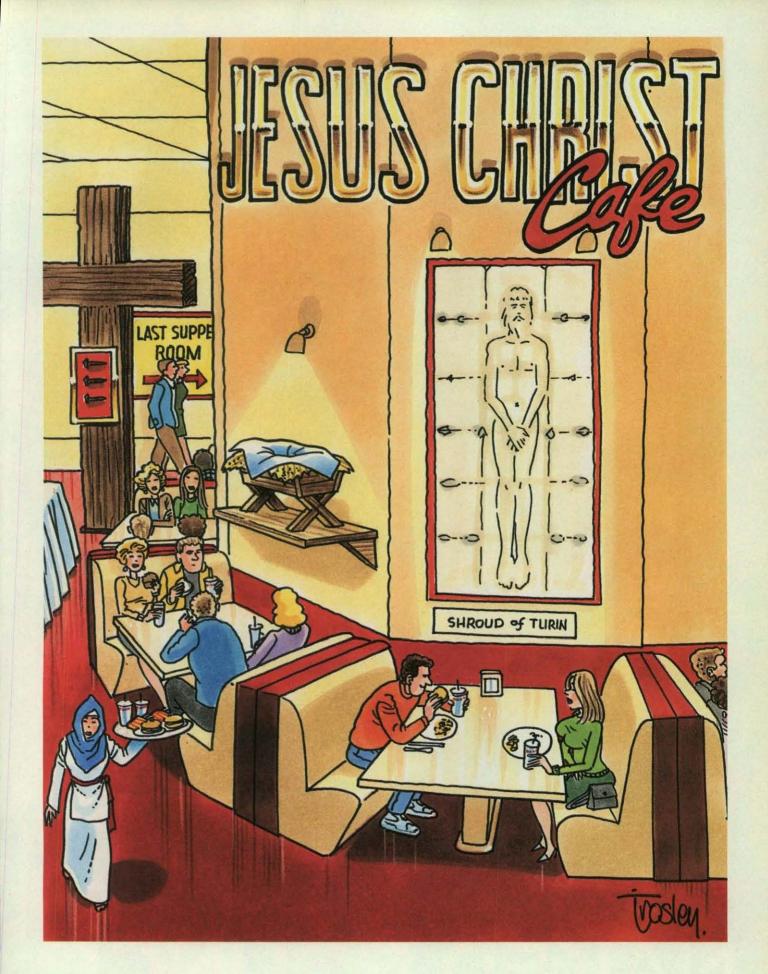

"Nobody seems to understand that Missy and I are basically monogamous. For a large percentage of time, she only wants to be with me. One of the perks of getting into this business was that we could spend so much time together."

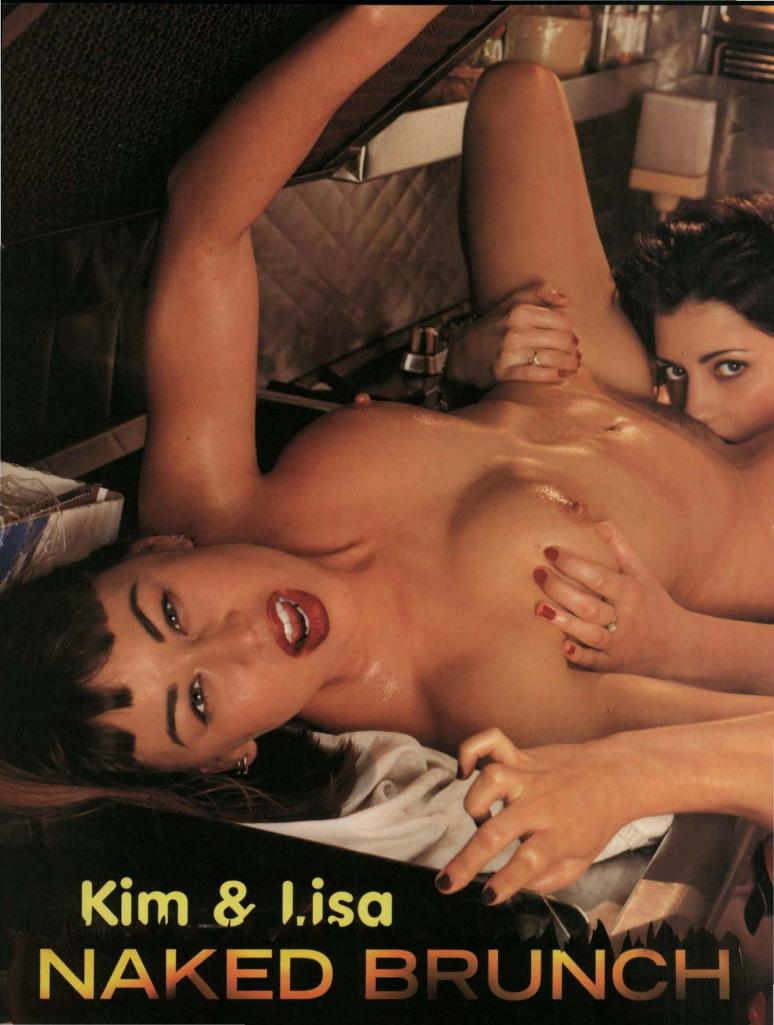

Randy West, creator of the *Up and Cummers* video series, has just spent some quality time with Missy. He towels himself off as he walks by Mickey.

"That's one hot little woman you've (continued on page 102)

"My name is Alvin, and I treats women with respect."

## Marriage "Even at home, I'm covering my ass," Missy cracks, still smarting from last night's double penetration with Mickey and actor Colt Steele.

got there," pants Randy. The unmistakable leer on West's face—not to mention the vaginal secretions on his limp pecker-might get a rise out of some guys, but Mickey exchanges pleasantries with

the grizzled porn vet.

"Compared to normal couples, I guess Missy and I are sexually twisted," Mickey states with a shrug, "but I'm never jealous watching her with other people. When we first started dating seven years ago, it was her and me exclusively. Then she told me about her fantasies involving women. One night, we brought home a friend of hers named Michelle. Missy got so excited watching Michelle and I get it on, she lay on her back and masturbated to about 50 orgasms." As an afterthought, Mickey adds, "I would be jealous if our time together was taken away."

Asked if anything can faze the man who watches his wife pleasure others, Mickey is quick to reply, "Rumors bother me. I try to nail the source without Missy's knowledge. She's very sensitive about the way she's portrayed. For instance, some reviewers have compared the sounds Missy makes during sex to demonic possession. That disturbs her."

After swallowing Randy West's pride, Missy approaches America's Magazine

fully dressed, freshly scrubbed and so nervous, it looks as though she may burst into tears.

"This industry has been a sort of therapy for me," begins Missy. Her tremulous whisper stands in marked contrast to the deafening cries of ecstasy that echoed through Sterling Studios minutes ago. "Mickey and I have been forced to deal with issues that ruin most marriages. I used to be jealous watching him perform, but I've learned to stuff those negative feelings down to a sexual level. Now, when I watch Mickey do a scene with another girl, it's like I can feel what he's feeling.

Genital symbiosis has improved the duo's off-camera liaisons as well. "Since entering the adult industry a year and a half ago," Mickey admits, "I tend to be horny all the time. I drive Missy crazy with my sex drive."

Missy feels loose enough to share a laugh. "Even at home, I'm covering my ass," she cracks, still smarting from last night's double penetration with Mickey and actor Colt Steele.

Mickey and Missy may have children someday. Family is important to Missy, even though she describes dealing with her own mother and father as, "my biggest struggle."

"For now, we're content with a quiet life in Topanga Canyon," Mickey sighs. Sterling Studios, on the other hand, won't stay quiet for long; Missy has been called back to the set.

She murmurs, "I'm sorry I'm not better with words," before dashing off to do something she does very well.

Not every hard-core couple shares Mickey and Missy's defensive attitude. Spaghetti-sleaze stars Claudio and Gina Rome, like many continental transplants, seem to thoroughly enjoy fucking over America.

"I'm proud of what I'm doing," Claudio beams. "In Italy, the public has a better perception of sex workers. Appearing in porn movies was a lifelong fantasy for me." His round face and considerable paunch lend the graying wad dispenser the appearance of a friendly uncle-a character he assayed, in the friendliest of manners, for Gregory Dark's Shocking Truth.

Under Dark's direction, Claudio enjoyed the opportunity to join his wife in a scorching gang-bang. "The best kind of scene is me, Gina and a group of others," he says. "I get excited seeing Gina fuck someone else, male or female. Before we got into the industry, we didn't do much swinging; now we enjoy multiple partners off-camera as well. Jealousy is not an issue for us, because we both work. Those kind of feelings usually arise in couples when one person is not pulling his or her weight-when the girl works, but the guy just hangs around and makes money off her. To me, that is boring and unacceptable."

Claudio pads around the San Fernando Valley home he recently purchased with Gina. Shag carpeting and retro architecture bring the 1960s to mind. Hardly playing up a saucy-sexpot facade, Gina wears a T-shirt, sweat pants and no makeup. Through broken English she adopts the role of gracious hostess. She haltingly offers a glass of wine and a seat on the sun-baked veranda.

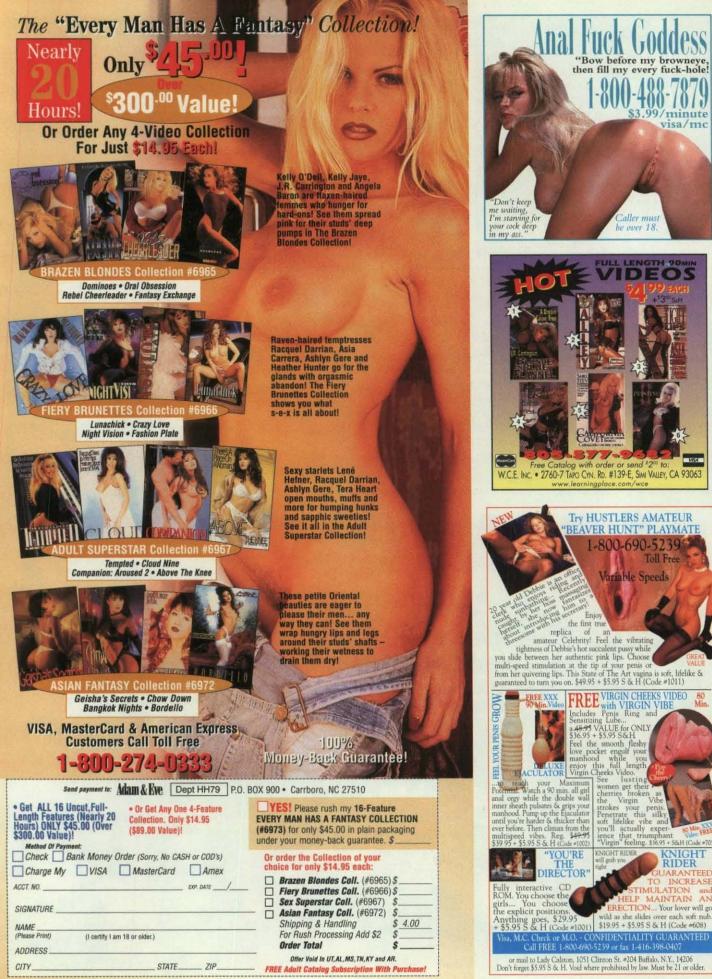

"Claudio and I got married in order to apply for the green card," stammers Gina, searching for each word. "That was 1994. It is a better time today, because people in porn movies can make regular movies too....'

Familiar with this line of discourse, Claudio is quick to interrupt his wife. He demands, "Who? Who can make regular movies? Nobody crosses over! They give Ron Jeremy a tiny part once in a while, but nobody else." Claudio shakes his

## Marriage "The wedding took place in a beautiful, historic hotel," reminisces Star. "I mean, if Greg or I ever set foot in a church, the place would collapse."

head at Gina and chuckles, "She is not a great actress."

The twosome met nine years ago in Momma Italia, where Claudio struggled to eke out a living as an engineer. Fed up with his homeland ("I hated the politics"), Claudio proclaimed his amore for Gina and dragged her across the Atlantic. She promised to boil the pasta while he pursued a pilot's license. Instead, both lifemates took a flying fuck into the hard-core realm.

"Porn movies have their own politics," laments Claudio, "and the people in this business are a little weird. For the most part, I have a lot of fun on-camera—unless it's some girl I don't like. I enjoy scenes with older women; they have a good attitude...." Before Claudio can expound further on the merits of humping for hire, Gina hijacks the conversation.

"I know he only performs because it's a job," she asserts. "The tapes aren't very exciting; we don't watch them."

Nonetheless, many smut hounds enjoy seeing Claudio and Gina in action. Claudio, for one, believes this fan base will make him the first porn actor to immigrate into Hollywood-"the real Hollywood," a realm devoid of fluff girls and triple penetrations.

He flashes a movie-star grin and pro-

claims, "I have my 'head shots' and a list of all the agents."

"But Claudio is lazy," Gina insists, displaying her firmest grasp on the language yet. "I prepared his photos, his letters and his envelopes. I even bought stamps. The only thing he has to do is sign each letter-and he hasn't done it!"

All Claudio can do now is roll his eyes. "You see, we're a normal couple," he laughs. "At least, we think so."

Miles away, in the Melrose district of Los Angeles, Claudio's face appears on the monitor of an editing bay owned by director Greg Dark. Miracle of miracles, the footage is the furthest thing from hard-core; it's a music video for Sublime, a punk/reggae act. A distinctly Darkian tableau of hookers, lowlifes and Claudio decked out in Bozo drag will eventually take MTV by storm.

Thanks to a string of titles such as New Wave Hookers and Sex Freaks. Dark's professional output is invariably saddled with the sobriquet "Gonzo Porn." Was his recent wedding to dominatrix Star Chandler the kind of affair fans might have expected?

"The wedding took place in a beautiful, historic hotel," reminisces Star. "I mean, if Greg or I ever set foot in a church, the place would collapse."

Greg deadpans, "There were no clowns or midgets present."

For the man who dressed as a whipwielding plantation overseer to promote his 1986 epic Let Me Tell Ya 'Bout Black Chicks, life in the '90s is all about shattering stereotypes. He describes himself as "an adult-industry outsider."

"I don't run in porn circles," claims Greg from his home. The split-level apartment has been converted into a messy, makeshift production studio. Video equipment takes up most of the living room. Here, three zonked-out hipsters watch the maestro manipulate images of Sublime in concert. Greg strains to be heard above the song's pounding bass. "My friends tend to be musicians and journalists; Star is much more into the whole porn scene. She has no interest in smoking pot all night with Sublime."

What does interest Star is sadomasochism (S&M), a world she documents as director and leather-clad star. "S&M used to be segmented from my personal life," says Star. "The lines converge more and more every day. I created this dominatrix character, Star Chandler, and she took over my personality." Does this mean the Darkman submits to the type of spanking humiliation his wife displays in her Bondage Obsessions series?

Greg yawns. "I know nothing about S&M, or bondage, or whatever, and I'm not interested."

Star, amending her opening statements, elucidates: "I don't equate domination with love and romance. It's like the button I wear to shoots, which reads, THIS ISN'T VIDEO, IT'S THE REAL WORLD. Greg and I set S&M completely to the wayside in our marriage.'

If the lines between kinky fantasy and conjugal reality seem blurred for Star, the separation might be traced to her living arrangement with Greg. Star has kept her own place-"a crack house I rebuilt into a perfect hideaway cottage"-30 minutes outside the city.

"It's really not an unusual setup for a pair of married directors in the entertainment industry," believes Greg. "We never fight, because when a couple doesn't get to see each other every day, they try

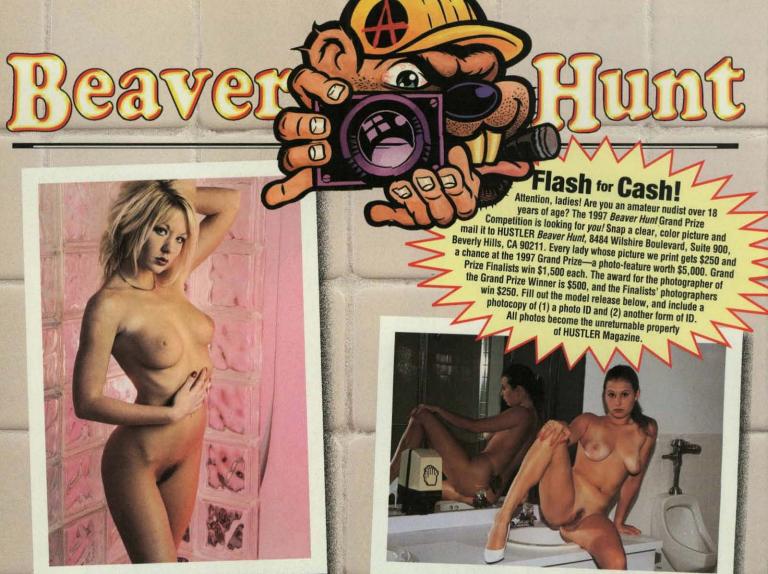

The two porn professionals would consider moving in together, Star maintains, "if the place was big enough. Greg and I were only children; so we both need a lot of space." Mental terrain is another closely

Brace yourselves. This is Brenda, a 28-year-old dental hygienist from Fort Lauderdale, Florida. Working out, in-line skating and jet skiing are some of her pastimes. Her fantasy reads: "to be with my sister." Now that sounds like a close family.

Meet Taylor. Taylor's not just an artist; she's also one of Los Angeles, California's greatest works of art. Cooking, sex and watching adult movies are her passions. Taylor's fantasy is to have her man watch her in an all-girl orgy. Not letting him participate would be downright cruel.

They're tanned. They're huge. They're real. Say hello to Ginger from Sterling Heights, Michigan. The 28-year-old beauty likes traveling, in-line skating and dancing. Being the focal point of a gang-bang is Ginger's favorite fantasy. If God exists, Ginger's travels will bring her to Los Angeles soon.

Photo by Friend

She has children, a motorcycle and a beautiful beaver. She's 32-year-old Kathi from Palmerton, Pennsylvania. She has a recurring threesome fantasy. Sorry, guys. This lady has one more thing you should be aware of: a husband.

Photo by Husband

Anyone who thinks work is hell doesn't have a receptionist like Nicole. This 21-year-old Dallas, Texas, resident spends her time playing sports, shopping and guy watching. Her fantasy is to have a threesome with her boyfriend and another woman. The burning question is: Can she type? Photo by Friend

This hellcat is Andi, a 25-year-old secretary from Citrus Heights, California. Her interests are varied: tennis, aerobics, shopping and fucking three or four guys in front of her boyfriend. Andi's goal is to be featured in a full HUSTLER layout. If our readers wish it, it will be so.

This outrageous body belongs to 22-year-old Liana, a therapist in Pittsburgh, Pennsylvania. She's into in-line skating, nude sunbathing and personal fitness. Her dream is to have her boyfriend watch her star in an all-girl porn film. We'd settle for watching Liana picking up the soap. Walking on the wild side is 30-year-old Elizabeth from Houston, Texas. By day, she's a mild-mannered librarian. By night...just look at her. Elizabeth lists reading, swimming and shopping for "special toys" among her hobbies. Her fantasy is to have both a male and female slave on call 24 hours. Don't return your books late when Elizabeth is working. Photo by Husband This Angel fell to Earth in West Palm Beach, Florida. A 31-year-old paralegal, Angel likes sunbathing, bike riding and pleasing her man. She longs to be seduced and "sexed" by another woman while her husband watches. Another slice of heaven. Photo by Husband

Jet is a 24-year-old oil tech from Waterford, Michigan. Her passions include singing, playing drums and making men and women happy. A live sex show featuring Jet and three horny guys is her imagination's idea of a good time. When you're a Jet....

Photo by Friend

Let's hear it for Weasel. She's a 25-year-old bartender from Cannon Falls, Minnesota. Her hobby is spitting ice cubes out of her vagina into her lovers' mouths. She fantasizes about a champagne douche, being fucked in the ass for three hours and having men fuck her like they hate her. Who said all the good ones are taken?

Atlanta, Georgia's Tracey enjoys mud running, truck repair and posing nude. This 21-year-old customer-contact representative fantasizes about having sex in her Jeep with the top off in broad daylight. She certainly looks great with the top off.

Photo by Husband

Bartender Jen comes to Beaver Hunt from Sanford, North Carolina. This 24-year-old loves shooting pool, going to the beach and having sex. Having a threesome with two other women while her boyfriend watches is her fondest fantasy. Having a girlfriend like Jen is ours.

Photo by Fiance

A waking dream of deep-sea muff-diving is 38-yearold Nicole from Myrtle Beach, South Carolina. This registered nurse's hobbies are fishing, riding and gardening. Nicole confesses that making passionate love at sea truly floats her boat. What type of lure is best to reel in Nicole's snapper?

### **Enlarge Your Penis** The Real Way

All Original, All Natural, Nothing Else Like It! Maximize Your Potential & Pleasure

"Yes, your penis can be enlarged, because two-thirds of your penis is made up of mus-cle tissue known as corpus convernosum. This tissue is expansive due to the lacunar spaces. The vacuum pump method for penis enlargement uses a process medically referred to as hyperemiation. When the airtight vacuum pump cylinder is placed around your penis, blood rushes into the muscle portion of your penis. The muscle tissue expands to the maximum, breaks down and then rebuilds into larger and stronger muscles, similar to bodybuilding.

# Marriage "I'd call home from the club where I danced nightly," Jill recalls with a pained grimace, "and a girl he did a scene with that afternoon would answer. That's not work—it's pleasure."

guarded territory for the Darkman.

"I live in my head," Greg proffers. "Relationships have never worked for me because no one is going to get in there and tell me what to do. So I fucked every porn chick I could get my hands on for eight years." Ask Greg how Star rose above the pack when she auditioned for his flick Snake Pit, and he marvels, "She had natural tits and the best teeth I've ever seen. Then I learned she was bright, a talented writer and a good thinker. What can I say? I fell in love!"

Even Star becomes a misty-eyed Mistress when she remembers a moment that (quite literally) drove home the meaning of marriage: "I was returning from a shoot when my car broke down. At once, it occurred to me that my husband's responsibility was to pick me up. And he did! That's love."

Back at the Melrose split-level, Greg's cellular rings with a call from his shining Star. The notorious bad boy caresses the phone with hushed baby talk. Then he covers the mouthpiece with his hand and yields the last word to the Greg Dark of old. "They're all crazy, you know," he whispers. "All girls."

"I don't want to say all men are dogs, but...." Jill Kelly resists the temptation. Maybe the gorgeous spring weather and the spectacular scenery of a Valencia, California, ranch prevent this goldenhaired, breast-augmented bombshell from engaging in protracted male bashing. Greeting nature in her halter top and hotpants, she summarizes her sentiment with a terse, "Relationships suck."

Relationships sucked on January 25, 1995, when Jill walked outside her house to discover the lifeless body of her estranged husband, fuck star Cal Jammer. The once-popular beefcake put a bullet through his brain for as many different reasons as there are people willing to offer an explanation. Jill Kelly's story speaks of the darkest aftermath to befall hard-core coupling.

"You picked a bad time to ask me about love," apologizes Jill, feeding an apple to a roan mare. "I'm going through another breakup with a porn actor, Eric Price. It's impossible to maintain a relationship with a man in this industry unless vou're Nina Hartley. Somehow, she's kept the same threeway going for years. Otherwise, it's just being faithful to a guy who will treat you like shit."

Jill's appreciative horse punctuates her contempt by pissing all over a bale

Kinky contradictions drew Jill to the

ill-fated Cal. Plain and simple, she avows, "I'm perverted. The idea of him fucking lots of beautiful women appealed to me. Thoughts ran through my head, like, I wonder what my pussy feels like to Cal after he just pulled out of someone else?"

There were limits to Jill's curiosity; Cal crossed that line time and time again. "I'd call home from the club where I danced nightly," she recalls with a pained grimace, "and a girl he did a scene with that afternoon would answer. That's not work-it's pleasure. Men start out saying you're the only one...then they say they want an open relationship. I wouldn't mind if they told the truth from the beginning."

An edge creeps into Jill's voice when she adds, "I know, I know...what did I expect from a porn star? But listen, I have plenty of girlfriends outside the industry, and they all face the same type of problems."

Jill has forsaken not only the concept of marriage, but of heterosexuality altogether. "If I'm ever seriously involved with another person again-and that's a big if-the person will definitely be a woman."

What would it take to bring Jill back for a steady diet of dick?

The stone-cold fox hesitates, brushes out her mare's matted mane and recites a rote list of qualifications she memorized long ago. "The fantasy guy who acts the way men act for the first three months,' she begins. "He gives me a ride when I need to go to the doctor and picks me up if I get arrested. He's sweet, trustworthy, loves kids, loves me and only needs one woman. He's a family man and a cowboy, just like in the movies. We live on a ranch, raising horses and cattle."

The memory of Cal will not deter Jill from achieving her dream of a home on the range. "After his death, I contemplated suicide.... But it's not my fault."

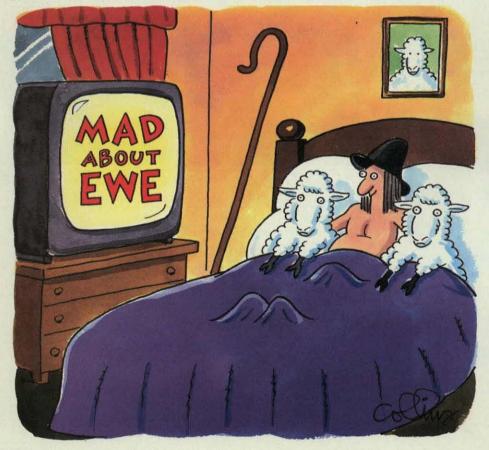

Kelly's lips curl into the knowing half-smile that suggests smoldering sexuality on a box cover, but now seems bittersweet.

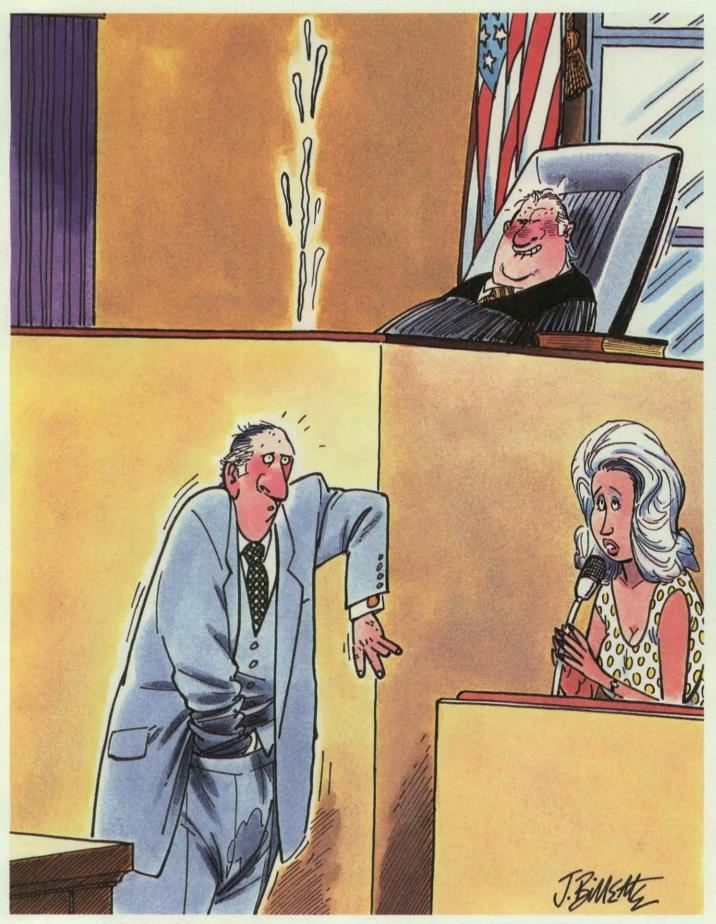

"Shit happens," she tells herself.

Earlier, Jill learned that Shane, director and featured fucker of the Shane's World video series, has scaled down a thriving smut career to pursue marriage with "a construction guy or something.'

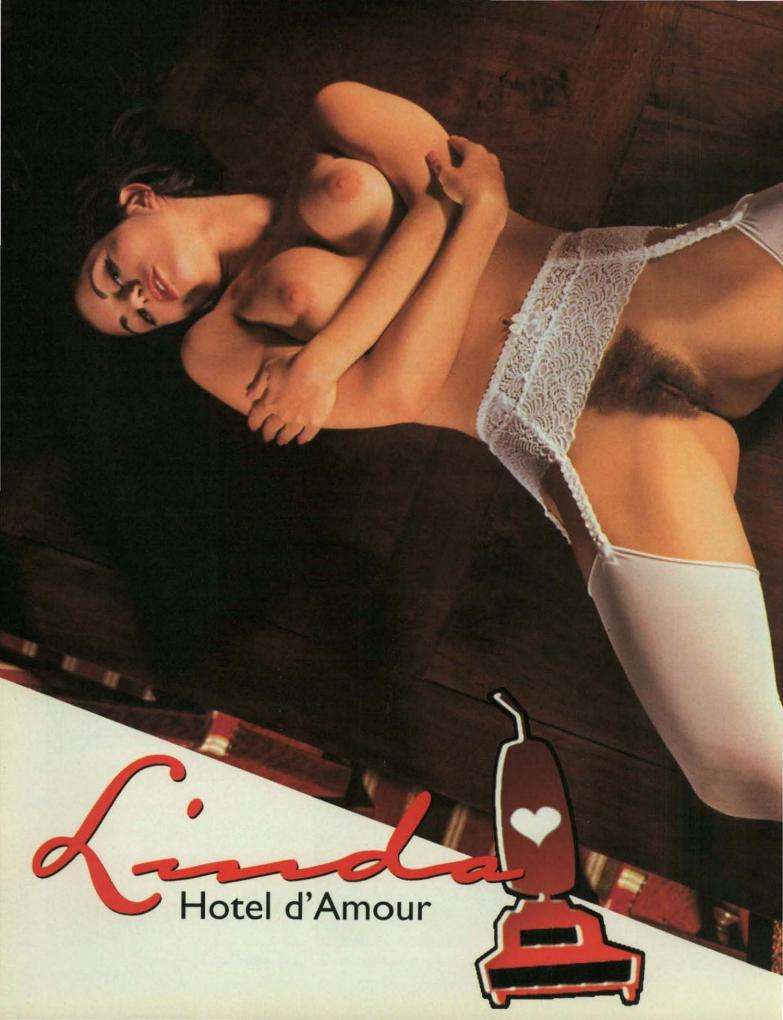

"Yeah," Jill exhales, sucking down another cigarette, "that's great."

She throws her F-250 XLT truck into drive. Jill smiles again. "Talk to Shane in a year."

"...then he took his enormous penis and rammed it down my throat for what seemed like hours!"

DR. BROSS

You can have a longer, thicker, harder penis now! Our customers tell us 9 inches...10 inches... even a BIG 12 inches is possible!

# You can have a powerful erection and stay hard as long as you wish!

My name is Dr. Bross and I want you to know that the Penis Vacuum Pump is an effective method for penis enlargement. It is also becoming the #1 medical treatment for impotence and premature ejaculation and to increase sex drive and sexual performance.

· The small flaccid penis before

using the Penis Pump.

· Pumping up with the world's largest selling Penis Pump.

. After using the Penis Pump a harder and much longer penis.

. After using the Penis Pump even without an erection the penis "hangs" thicker and longer.

# Why my Complete Penis Enlargement System will work for you where others fail.

I have included in my system an easy to follow stepby-step instructional video and magazine and the worlds largest selling penis vacuum pumps used successfully for 25 years and with over 10 million satisfied customers.

You will see how other men succeed and reach mammoth proportions. By following the instructions and demonstrations you can also be successful with our Penis Enlargement Pumps.

Pumps sold by mail order dealers used for masturbation (squeeze bulb pumps, pumps requiring erection rings, massage pumps with vibrating electric motors) do not create enough vacuum to enlarge your penis

To be successful you need our "made in the U.S.A." power pumps with the extra long 10 inch piston assembly that creates more vacuum than any

pump available at any price.

Deluxe Stroker Penis Pump \$24.95

Important- We offer the Stroker and Power Trigger Pump that helps you maintain an erection without using a prolong or erection ring.

Do not accept any

substitutes from mail order dealers at any price. This is the original Dr. Bross Complete **Penis Enlargement** System.

You can order with your Visa, Mastercard and American Express credit card. Phone in your order toll free or fax your order for immediate delivery.

Super Power Trigger Pump \$39.95

# This is why your penis can be enlarged.

Approximately 2/3 of your penis is made up of muscle tissue called corpus convernosum and that tissue can expand. Penis Enlargement uses a process called hypermiation. Blood rushes into the muscle tissue causing the penis to expand to your maximum potential.

# What my Penis Vacuum System can do for you.

- 1. Increase penis length and thickness.
- Stimulate a harder and more powerful erection.
- 3. Exclusive design helps maintain your erection for as long as you wish without an erection or prolong ring.
- 4. Increase confidence, sex drive and sexual performance.
- 5. Intensify your orgasm.

# How to order my Complete Penis Enlargement System

The same type of pumps prescribed by doctors can sell for up to \$500.00. I have made special arrangements for you to buy my system direct from the manufacturer at a tremendous savings and a prescription is not required.

# WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special bulbocavernosus muscles inside the penis shaft. As these muscles fill, the penis increases in diameter and thickness. By increasing their capacity as the SUPRA-12 does, can hold more blood, resulting in A DRAMATICALLY LONGER, THICKER ERECTION. Users of SUPRA-12 say they're "truly astounded" when they see their penises reach startling new proportions inside the chamber of the SUPRA-12. And you will be too!

# HUSTLER

# A TIME TO GIVE THANKS— FOR PINK

HUSTLER in November sets the table with a luscious spread of Honeys: A barely legal brunette with soft breasts and barrettes pulls off her tartan schoolgirl skirt and shows off her fresh pearl, begging for one last lesson; her glowing skin sheeny with perspiration, a hale blonde with Bo Derek braids basks in the sun; a working-class girl borrows her man's wife-beater and then stretches it out to bare her tight, pert nips—he answers her display with a shot of cream; a sweet-natured hippie chick stretches her legs after a long drive and invites you to a picnic in the raw; a naughty soda-fountain waitress bails out on making shakes and malts and pulls back her panties to reveal the real sweet stuff; and two wet beauties frolic in a shimmering pool above Hollywood. November HUSTLER is a feast for the eyes. Hold on to your wishbone.

Dutch girls, Asian girls, African girls and Eastern European girls with a side of marijuana. The Red Light District in Amsterdam, Holland, offers a hedonistic menu of legal pleasures for every man on the blow and go. As HUSTLER correspondent William McWeary reports in Red Lights, Big City: Penetrating Amsterdam's Sleaze District, the chase is often better than the catch.

# WHITE MEAT VS. DARK

The chief suspect in a Northern California bombing spree, a young black man, is pitted against a police department tainted by a reputation for racism. Kevin Lee Robinson, the owner of the gangsta-rap label Big K Records, is definitely a hustler, but is he also being harassed? In *Three Strikes in Vallejo, California: Dirty Cops, Dirty Town and the Courthouse Bombing*, HUSTLER Erotic Entertainment Editor Evan Wright tours the West Coast mean streets, where felony counts add up to life-sentence punch-outs.

# **TALKING TURKEY**

Sex Play in November gives the lowdown on auto-orgasmic females in Katy Windsor's exposé, "Women Who Plug Too Much: The Latest Buzz on Vibrator Addiction." Bits & Pieces dishes the dirt on Frank Gifford and Marv Albert; Jeanna Fine serves up fucking facts in Dear Slut; and Hot Letters recounts one man's attempt to redress the terrible wrongs suffered by the Native American nation...by letting sexy squaws smoke his peace pipe. November HUSTLER is a full-course meal plus dessert. Come grab a slice of pie.
